## Adjunct Courses to Begin Soon

The summer adjunct courses will begin soon. We currently offer **Foundations of Online Teaching** (for new adjuncts) and **Advanced Concepts in Online Teaching** (for those who have experience or who have completed Foundations of Online Teaching). Both courses are online and asynchronous. Department chairs can help determine which course would be most appropriate for you.

Both of these shells will open on June 4th and close on July 13th. Faculty are welcome to complete the requirements at their own pace, as long as they complete the course by July 13th.

Both courses offer, as compensation for completion, a promotion to the next level of adjunct pay (\$200/three-hour class increase). This pay increase takes effect the semester after completion. However, an adjunct who completes the foundations course must wait one year before taking the advanced course. In other words, if you complete **Foundations of Online**

**Teaching** in summer, 2018, you would be eligible to take **Advanced Concepts in Online Teaching** in summer, 2019. Please note -- the adjunct salary cap remains in effect. So, if you are currently capped on pay, you are welcome to take a training class, but will not be eligible for an increase.

Additionally, the courses are somewhat customizable, comprised of both required modules and elective modules, allowing you to choose the content that best fits your training needs. Participants will also have the opportunity to engage with colleagues, asking questions and sharing teaching ideas.

To enroll in either course, please ask your department chair to email Valerie Brown-Kuchera ([vcbrownkuchera@fhsu.edu](mailto:vcbrownkuchera@fhsu.edu)) or Nicole Frank ([nmfrank@fhsu.edu](mailto:nmfrank@fhsu.edu)) and request that you be added to the appropriate class.

As chair approval is required anyway, this simplifies the process.
