QUESTIONNAIRE

203 West 5th
Fort Hays Kansas State College
July 18, 1961

Dear Classmate:

The Summer Class of 1960 compiled a letter of this nature, and the results proved to be of such success and interest that the officers of the senior class of Summer 1961 decided to continue the letter.

I believe our class is unique in many ways. In order to learn some facts of interest about us, I have compiled the questionnaire below. I hope you will answer it and either take it in to Mr. Harold Stones' office in Applied Arts, or give it to me on the campus. I will feed the statistics to our electronic brain (Harold) and it (he) will compile it in readable form. We will try to have it mimeographed before graduation.

Do not sign your name--unless you believe you are: the oldest member, the youngest member; been working on your degree the longest time, the shortest time, have driven the farthest to attend classes. I would like to recognize these people.

Please answer TRUTHFULLY !!!

How long has it taken you to complete this degree? (years, months)

Your age to nearest birthday? (confidential)

Your grade point (thus far)?

Your occupation?

Years in occupation?

Who of your family has attended Fort Hays? (parents, spouse, children)

What did you like most about Ft. Hays?

What did you like least about Ft. Hays?

How far have you driven to attend classes?

Add any comment

Please return by August 1, 1961 so that the electronic brain can start digesting.

Sincerely yours,

Gary D. Wiley
Class President
