Is it best to spend time utilizing your **strengths** or is it more productive to work on your **weaknesses**? Gallup's Strengths theory argues people should spend the majority of their time doing what they do best; using their already existing natural talents to become more productive and profitable in the workplace and at home.

Join the Management Development Center for **StrengthsFinder Essentials** to learn how to leverage your top five talents by turning them into strengths! This workshop is facilitated by Sabrina William & Hannah Hilker.

As FHSU faculty or staff, your registration fee is complimentary, thanks to your FHSU Vice President! Limited funding is available annually per division.

Due to overwhelming response from the **Academic Affairs division**, the funds for those faculty & staff members have been **used through July 31, 2018**. For those in this division, workshop registration should be paid for by department or personally.
