 - B. Dr. Oliva moved and Dr. Frerer seconded the proposed motion of Mr. McGinnis. It read:

"In order that the faculty at F.H.S. does not sit silently through a period of crisis and to assist the administration of the college in its mission of opposition to the impending reduction of 12 faculty positions it is proposed that the Faculty Senate take the following action:

- a. Request that each F.H.S. department affected by the loss of staff positions submit a written report detailing the effects of that loss upon their department.
- b. Compile these departmental reports into a composite report representing the total effect upon the college.

 - B. Dr. Slechta said that he did not see the need for a more standardized format and that there was undue pessimism about the role of the tenure committee.
 - C. Dr. Oliva requested that the matter be referred to committee.
- VIII. Dr. Oliva moved that the Faculty Senate Executive Committee address a letter to President Gustad, with a copy to Mr. Keating, urging that they strongly appeal for the supplemental appropriation and that they emphasize the alternatives of cutting programs in the absence of supplemental funds.
