Dear Faculty Member:

We are now in the process of planning our summer activities in the Memorial Union. As part of our program, we would like to continue our "Kaleidoscope" lecture-discussion series.

In this series of informal lectures and discussions (with iced-tea included), we hope to include a wide range of subject matter of interest to both students and faculty. We realize that a large number of our summer students do not remain on campus over the weekends. For this reason, we will plan to hold the Kaleidoscope programs on a week-day - probably in the late afternoon.

As a faculty member, you are no doubt familiar with personalities both in the college and community who would be a valuable addition to this program. We are hoping that you might share this information with us so that we will be able to set up an appropriate and worthwhile program.

If you have any suggestions of people whom you feel would be desirable as speakers, we would appreciate your filling out the blank below and returning it to the Memorial Union as soon as possible. Thank you for your cooperation.

Sincerely,

Nancy E. Geist  
Assistant Director
