Sales Tax Rate Change

The Ellis County sales tax rate will change effective October 1, 2018. As a result, the City of Hays sales tax rate will decrease to 8.25%.

Since the last day of September is Sunday, we request that Cash Sales be submitted in Workday for September receipts by **noon, Tuesday, October 2**, in order that they are accurately recorded with the current tax rate. Also please bring the funds to our office by the noon deadline.

Do not initiate Cash Sales in Workday for October receipts until Wednesday, October 3, 2018, as the new tax rate will be updated in Workday the morning of October 3rd.

We will also update the extended amount worksheet incorporating the new sales tax rate. It will replace the existing worksheet within the Workday Worklet and on our website on October 3. If you saved a copy of the extended amount worksheet on your computer, you will need to save a new copy Wednesday morning.

The new City of Hays tax rate change affects all sales within the City of Hays, as defined by the Kansas Department of Revenue. Please continue to use the Kansas Department of Revenue Address Tax Rate lookup site to obtain the sales tax rates for destination sales.

If you are an advisor to a student organization, please forward this information on to the appropriate person(s) in charge of preparing deposits.

Please contact our office at (785) 628-5251 if you have any further questions regarding this transition.

Thank you.

Introducing the New FHSU Duo Portal!

Duo Security

Introducing the new FHSU Duo Portal!

We've made it easier to add devices, change settings, and even test Duo! You can do the following on the [Duo Portal](#)

- Add additional devices
- Designate your "default" device and preferred authentication method
- Reactivate Duo Mobile if you got a new phone but kept your number
- Change the name of your device (ex. "Personal Cell" or "Work Phone")
- Remove a device

Do you only have 1 device (or phone number) enrolled in Duo?

We highly recommend you register a second device in case your primary method is unavailable. For example, if you've only registered your smartphone, what will you do if you leave it at home or it's broken? If you've only registered your desk phone, what will you do if you need to login from your house? The new Duo Portal makes it easy to add an additional device. To learn more, visit <https://www.fhsu.edu/technology/duo-enroll-a-device>.

Haven't enrolled in Duo yet?

Remember, you need to enroll by February 2019! Search your inbox for YOUR personalized enrollment email from Duo Security <no-reply@duosecurity.com>. It will contain a personalized link that starts with <https://api-40a700c2.duosecurity.com>. You may have multiple emails from Duo Security – use the most recent.

Who is included in Duo Security?

Currently employed faculty, virtual college faculty, adjunct faculty, staff, student employees, and graduate assistants WILL be required to use two-factor authentication with Duo Security.

The following users will NOT enroll in Duo Security: students, retired employees, volunteers, and employees who do not use a computer in their job functions.

If you've missed previous emails from Tech Services, watch [this video](#) or visit our Duo web page www.fhsu.edu/duo to learn more.

Questions?

Please contact TigerTech 785-628-3478 for questions or assistance with enrolling or using Duo, or visit our Duo web page www.fhsu.edu/duo.

Majors and Graduate Programs Fair

The Majors and Graduate Programs Fair is a come-and-go event that showcases all academic areas at FHSU. The fair will have representation from every academic department, Career Services, Honors College, Study Abroad, Graduate School and the Academic Advising and Career Exploration Center in one room to answer academic inquiries for current and prospective FHSU students.

This is a great opportunity for students to gather information to assist them in their educational planning. A well-developed educational plan allows our students to use the knowledge and resources of today to help them plan the future they want. While a student's major gives them direction on course work to take to achieve an undergraduate degree, the Majors and

Graduate Programs Fair can provide a greater understanding of additional opportunities that can increase their marketability (certificates, research, graduate school, study abroad).

The AACE Center staff would be happy to come and talk with your class about the Majors and Graduate Programs Fair (what to expect, benefits of attendance and how to get the most out of the event). If you are interested in a 15 minute presentation for your class, please email me your course section, preferred date of presentation, time of class and we will get you scheduled. Presentations can be scheduled for **October 8-17**.

If you would like to have your class attend the event as part of a course expectation or extra credit opportunity, **attendance tracking is available**. Please email me your name, course name and section number to n_brown2@fhsu.edu and I will send you a list of students that attended from your class the week after the fair.

Note that we would encourage students to complete the FHSUMajors.com assessment prior to attending the event. This is a free assessment available to all enrolled students. It is accessible in TigerTracks under the Online Services tab.

Honors Course Proposals Deadline

The Fort Hays State University Honors College is now accepting Honors Course Proposals for the Fall 2019 Academic Semester.

The Honors College is looking for exceptional faculty to teach courses to outstanding students on campus. Participating in one of the university's Programs of Distinction is a chance to expand learning opportunities for students, as well as experiment with new strategies in and out of the classroom.

While FHSU strives for academic excellence in all classes, at the heart of a successful honors program is the unique interaction between teacher and student made possible by the opportunities in an honors course. Intellectual challenge is supported by pedagogy that stimulates students to think about topics in new ways, explore subject matter in greater depth or breadth, and gain first-hand exposure to issues through experiential learning. Quality is valued over quantity through rigorous and deeper course work that provides opportunities not available in tradition courses. Interactivity is not only gratifying in an honors course, but central to its success whether a debate, discussion, or connection outside the classroom.

The deadline for all Honors course proposals is **October 5th, 2018**. The application form, as well as more information about the process and examples, can be found at <https://www.fhsu.edu/honors/Resources-and-Forms/>. All applications can be emailed to Jensen Scheele, Honors College Administrative Specialist, at jnscheele@fhsu.edu.

If you have any questions about Honors Courses, please feel free to contact Dr. Carol Patrick at clpatrick@fhsu.edu or 785-628-4406.

A Dinner to Die For

Saturday, October 27; 6:00pm and Dinner at 7:30pm
“The Venue” @ Thirstys, 2704 Vine Street

Halloween will be here soon, and what better to do than celebrate at a murder mystery dinner. The Criminal Justice Club is selling tickets to *A Dinner to Die For*, scheduled for Saturday, October 27, at The Venue @ Thirsty's Brew Pub & Grill. Our previous murder mystery dinner (Murder @ Mardi Gras) was a huge success, and tickets to this event are sure to sell out fast!

Attendees are welcome to dress up for this 1920's gangster themed event that features a cash bar, beginning at 6:00pm and available throughout the evening, and dinner at 7:30pm. Individual tickets are \$50 and couples tickets are 2/\$85. ***The ticket price includes admission, two drink tickets, dinner, dessert, and entertainment.*** All proceeds will offset costs for Criminal Justice Club members to travel to Baltimore, MD in the spring to attend the national American Criminal Justice Association meeting and competition. Please keep us in mind as you think of a unique way to celebrate Halloween, or simply for an enjoyable night out. Please also feel free to share this information with your students, friends, and family. There will also be silent auction items.

Tickets can be purchased in the Criminal Justice Department in Rarick 233 or at Thirsty's Brew Pub & Grill. We are also happy to deliver tickets in the local area. We accept cash and checks (made out to "Criminal Justice Club"). Contact Tamara Lynn (tjlynn@fhsu.edu) with questions or to request tickets.

We hope to see you there. Thank you for your support!
