ANNOUNCEMENTS

FHSU Math Relays

As there are many new FHSU employees, the Mathematics Department would like to announce the department’s annually sponsored high school event, FHSU Math Relays will be held on November 8. This happens to be the fortieth year the department has hosted! The entry fee deadline is October 16.

The deadline date is important to note because last year two checks sent were unfortunately mailed to incorrect departments. To help high schools avoid missing the deadline, I am sharing this information and requesting departments and areas who receive checks to please double check who the checks are made out too. Some checks have just been made out to Fort Hays State University, but have FHSU Math Relays in the “For” tag line.

If you are interested in learning more about the FHSU Math Relays, please check out our department website at www.fhsu.edu/math and click on the Math Relays tab.

Sales Tax Rate Change

The Ellis County sales tax rate will change effective October 1, 2018. As a result, the City of Hays sales tax rate will decrease to 8.25%.

Since the last day of September is Sunday, we request that Cash Sales be submitted in Workday for September receipts by **noon, Tuesday, October 2**, in order that they are accurately recorded with the current tax rate. Also please bring the funds to our office by the noon deadline.

Do not initiate Cash Sales in Workday for October receipts until Wednesday, October 3, 2018, as the new tax rate will be updated in Workday the morning of October 3rd.

We will also update the extended amount worksheet incorporating the new sales tax rate. It will replace the existing worksheet within the Workday Worklet and on our website on October 3. If you saved a copy of the extended amount worksheet on your computer, you will need to save a new copy Wednesday morning.

The new City of Hays tax rate change affects all sales within the City of Hays, as defined by the Kansas Department of Revenue. Please continue to use the Kansas Department of Revenue Address Tax Rate lookup site to obtain the sales tax rates for destination sales.

If you are an advisor to a student organization, please forward this information on to the appropriate person(s) in charge of preparing deposits.

Please contact our office at (785) 628-5251 if you have any further questions regarding this transition.

Thank you.

Majors and Graduate Programs Fair

Thursday, October 18; 11:00am to 3:00pm
Memorial Union Ballroom

The Majors and Graduate Programs Fair is a come-and-go event that showcases all academic areas at FHSU. The fair will have representation from every academic department, Career Services, Honors College, Study Abroad, Graduate School and the Academic Advising and Career Exploration Center in one room to answer academic inquiries for current and prospective FHSU students.

This is a great opportunity for students to gather information to assist them in their educational planning. A well-developed educational plan allows our students to use the knowledge and resources of today to help them plan the future they want. While a student's major gives them direction on course work to take to achieve an undergraduate degree, the Majors and Graduate Programs Fair can provide a greater understanding of additional opportunities that can increase their marketability (certificates, research, graduate school, study abroad).

The AACE Center staff would be happy to come and talk with your class about the Majors and Graduate Programs Fair (what to expect, benefits of attendance and how to get the most out of the event). If you are interested in a 15 minute presentation for your class, please email me your course section, preferred date of presentation, time of class and we will get you scheduled. Presentations can be scheduled for **October 8-17**.

If you would like to have your class attend the event as part of a course expectation or extra credit opportunity, **attendance tracking is available**. Please email me your name, course name and section number to n_brown2@fhsu.edu and I will send you a list of students that attended from your class the week after the fair.

Note that we would encourage students to complete the FHSUMajors.com assessment prior to attending the event. This is a free assessment available to all enrolled students. It is accessible in TigerTracks under the Online Services tab.

Honors Course Proposals Deadline

The Fort Hays State University Honors College is now accepting Honors Course Proposals for the Fall 2019 Academic Semester.

The Honors College is looking for exceptional faculty to teach courses to outstanding students on campus. Participating in one of the university’s Programs of Distinction is a chance to expand learning opportunities for students, as well as experiment with new strategies in and out of the classroom.

While FHSU strives for academic excellence in all classes, at the heart of a successful honors program is the unique interaction between teacher and student made possible by the opportunities in an honors course. Intellectual challenge is supported by pedagogy that stimulates students to think about topics in new ways, explore subject matter in greater depth or breadth, and gain first-hand exposure to issues through experiential learning. Quality is valued over quantity through rigorous and deeper course work that provides opportunities not available in tradition courses. Interactivity is not only gratifying in an honors course, but central to its success whether a debate, discussion, or connection outside the classroom.

The deadline for all Honors course proposals is **October 5th, 2018**. The application form, as well as more information about the process and examples, can be found at <https://www.fhsu.edu/honors/Resources-and-Forms/>. All applications can be emailed to Jensen Scheele, Honors College Administrative Specialist, at jnscheele@fhsu.edu.

If you have any questions about Honors Courses, please feel free to contact Dr. Carol Patrick at clpatrick@fhsu.edu or 785-628-4406.
