Get Your Murder Mystery Tickets Before It's Too Late

Halloween will be here soon, and what better way to celebrate than a murder mystery dinner. The Criminal Justice Club is selling tickets to *A Dinner to Die For*, scheduled for Saturday, October 27, at The Venue @ Thirsty's Brew Pub & Grill. Our previous murder mystery dinner (Murder @ Mardi Gras) was a huge success, and tickets to this event are selling fast!

Attendees are welcome to dress up for this 1920's gangster themed event that features two free drink coupons with ticket purchase, followed by a cash bar, beginning at 6:00pm and available throughout the evening, dinner at 7:30pm, and entertainment to follow. Yes, the Tiger Football team has a home game that afternoon, but dinner does not start until 7:30 so guests will have time to attend this unique social event. Individual tickets are \$50 and couples tickets are 2/\$85. **The ticket price includes admission, two drink coupons, dinner, dessert, and entertainment.** In addition, there will be silent auction items. All proceeds will offset costs for Criminal Justice Club members to travel to Baltimore, MD in the spring to attend the national American Criminal Justice Association meeting and competition. Last spring, the club brought home 9 trophies, and we hope to surpass that in March. Please keep us in mind as you think of a unique way to celebrate Halloween, or simply for an enjoyable night out. Please, also feel free to share this information with your students, friends, and family.

Tickets can be purchased in the Criminal Justice Department in Rarick 233 or at Thirsty's Brew Pub & Grill. We are also happy to deliver tickets in the local area. We accept cash and checks (made payable to "Criminal Justice Club"). Contact Tamara Lynn (tjlynn@fhsu.edu) with questions or to request tickets.

We hope to see you there. Thank you for your support!

Homecoming Survey

Feedback Requested on Homecoming 2018

The Homecoming Coordinating Committee and the offices that help plan Homecoming events would appreciate your feedback on this year's events!

A survey can be accessed at <https://baseline.campuslabs.com/fhsu/homecoming2018survey> and should only take 5-10 minutes to complete.

The information collected from this annual survey helps the committee make decisions about events and how we coordinate between offices and our community partners. Whether you were an active participant in Homecoming activities or not, we would like to hear from you.

At the end of this year's survey, you will also be asked to provide feedback on the 2019 Homecoming Theme. Be sure to let your voice be heard!

Phi Kappa Phi Travel Grant for On- and Off-Campus Graduate Students

If there's any reason why an FHSU graduate student would want to become a member of Phi Kappa Phi, this is it. Eligible graduate and undergraduate students with high enough GPAs were recently mailed an invitation to join Phi Kappa Phi. If uncertain if you are eligible, contact pkp@fhsu.edu.

The Society is offering graduate research travel grants of up to \$1,500 to eligible members who are enrolled in a graduate program. These grants provide funding for travel in support of career development opportunities, such as conducting or presenting research.

"In the spirit of innovation, Phi Kappa Phi is pleased to announce the pilot of a new award, the Graduate Research Grant," said Dr. Mary Todd, Society executive director. "Because graduate research often involves travel, whether for gathering or presenting research, we hope a limited pilot offering will identify member interest in a travel grant program."

To be eligible to apply, applicants must be an active member of Phi Kappa Phi or have accepted membership by November 30, 2018, and currently be enrolled in a graduate program. In addition, the travel to conduct or present research must take place between January 1, 2019, and August 31, 2019. Current Phi Kappa Phi Fellows or previous Dissertation Fellows are not eligible to apply.

To apply for a graduate research grant, please [complete the request form](#) by Friday, November 30. The number of grants to be awarded is contingent upon the availability of funds and the number of applications received.

To learn more about the Graduate Research Grant, [click here](#).

Questions? Contact [@Kelli Partin](#), awards manager, at kpartin@phikappaphi.org.

The deadline date is important to note because last year two checks sent were unfortunately mailed to incorrect departments. To help high schools avoid missing the deadline, I am sharing this information and requesting departments and areas who receive checks to please double check who the checks are made out too. Some checks have just been made out to Fort Hays State University, but have FHSU Math Relays in the "For" tag line.

If you are interested in learning more about the FHSU Math Relays, please check out our department website at www.fhsu.edu/math and click on the Math Relays tab.

Majors and Graduate Programs Fair

Thursday, October 18; 11:00am to 3:00pm
Memorial Union Ballroom

The Majors and Graduate Programs Fair is a come-and-go event that showcases all academic areas at FHSU. The fair will have representation from every academic department, Career Services, Honors College, Study Abroad, Graduate School and the Academic Advising and Career Exploration Center in one room to answer academic inquiries for current and prospective FHSU students.

This is a great opportunity for students to gather information to assist them in their educational planning. A well-developed educational plan allows our students to use the knowledge and resources of today to help them plan the future they want. While a student's major gives them direction on course work to take to achieve an undergraduate degree, the Majors and Graduate Programs Fair can provide a greater understanding of additional opportunities that can increase their marketability (certificates, research, graduate school, study abroad).

The AACE Center staff would be happy to come and talk with your class about the Majors and Graduate Programs Fair (what to expect, benefits of attendance and how to get the most out of the event). If you are interested in a 15 minute presentation for your class, please email me your course section, preferred date of presentation, time of class and we will get you scheduled. Presentations can be scheduled for **October 8-17**.

If you would like to have your class attend the event as part of a course expectation or extra credit opportunity, **attendance tracking is available**. Please email me your name, course name and section number to n_brown2@fhsu.edu and I will send you a list of students that attended from your class the week after the fair.

Note that we would encourage students to complete the FHSUMajors.com assessment prior to attending the event. This is a free assessment available to all enrolled students. It is accessible in TigerTracks under the Online Services tab.

There is a \$4,000 stipend available to faculty appointed as fellows for their one-year commitment. Up to ten faculty will be selected for the 2018-2019 academic year.

Honors Course Proposals Deadline

The Fort Hays State University Honors College is now accepting Honors Course Proposals for the Fall 2019 Academic Semester.

The Honors College is looking for exceptional faculty to teach courses to outstanding students on campus. Participating in one of the university’s Programs of Distinction is a chance to expand learning opportunities for students, as well as experiment with new strategies in and out of the classroom.

While FHSU strives for academic excellence in all classes, at the heart of a successful honors program is the unique interaction between teacher and student made possible by the opportunities in an honors course. Intellectual challenge is supported by pedagogy that stimulates students to think about topics in new ways, explore subject matter in greater depth or breadth, and gain first-hand exposure to issues through experiential learning. Quality is valued over quantity through rigorous

and deeper course work that provides opportunities not available in tradition courses. Interactivity is not only gratifying in an honors course, but central to its success whether a debate, discussion, or connection outside the classroom.

The deadline for all Honors course proposals is **October 5th, 2018**. The application form, as well as more information about the process and examples, can be found at <https://www.fhsu.edu/honors/Resources-and-Forms/>. All applications can be emailed to Jensen Scheele, Honors College Administrative Specialist, at jnscheele@fhsu.edu.

If you have any questions about Honors Courses, please feel free to contact Dr. Carol Patrick at clpatrick@fhsu.edu or 785-628-4406.
