Kansas Undergraduate Research Day at the Capitol

We are now accepting 250-word abstracts for the February 20 Kansas Undergraduate Research Day at the Capitol!

We are pleased to announce the launch of the 2019 Undergraduate Research Day at the Capitol competition. Click on the [link](#) to view more information.

- Deadline: January 31, 2019
- Discipline/Subject Area: Any

The Kansas Undergraduate Research Day at the Capitol event is an opportunity for students to present their research experiences with state lawmakers in Topeka scheduled for Wednesday, February 20, 2019.

This event will showcase the work of up to 40 Kansas undergraduate students representing each of the state's eight public 4-year institutions. The purpose of this event is to demonstrate the unique opportunities undergraduate students have to participate with faculty members in research at all state institutions. This event will also emphasize higher education's role in developing educated citizens and preparing a workforce with the necessary skills to further the economic growth of the state. Undergraduate students who have been significantly involved in the research enterprise of the university either with their own project or through meaningful involvement with a faculty project are desired as participants. To qualify for this event, participants must:

- be undergraduates during the 2018-2019 academic year;
- have completed research under the guidance of a Kansas 4-year public institution faculty mentor;
- follow the methodology of the appropriate academic discipline;
- be of sufficient quality to be presented at a professional academic meeting;

- have the skills, resources, and capacity to produce a professional academic poster;
- agree to undergo presentation training and rehearse their presentations prior to the Capitol event.

Participants should be able to convey their experience and enthusiasm to state representatives, senators, and other state officials in a poster session. Projects from a broad range of disciplines are encouraged - especially posters that relate to the state of Kansas and issues important to the state legislature (e.g. education, health, agriculture, aviation, biotechnology, energy, transportation, manufacturing, environment, and social services). Up to 5 projects will be selected from each institution.

Lunch and transportation will be provided. The event will take place on the first floor of the Capitol Rotunda from 10 am to 1 pm. The public is invited to attend. Selected participants will receive additional information regarding the event.

Submissions are accepted from student teams, however only two students from the team will be able to go to the Capitol. One designated student should be listed as the Principal Investigator. The entire research team will be recognized in the program booklet and related materials.

This event will not be an adjudicated poster competition with prizes. All participants will be recognized equally for the honor of participating in this event.

Helpful resources for creating posters may be found at <http://www.fhsu.edu/academic/gradschl/ure/URE-Poster-Tips/>

Get Your Murder Mystery Tickets Before It's Too Late

Halloween will be here soon, and what better way to celebrate than a murder mystery dinner. The Criminal Justice Club is selling tickets to *A Dinner to Die For*, scheduled for Saturday, October 27, at The Venue @ Thirsty's Brew Pub & Grill. Our previous murder mystery dinner (Murder @ Mardi Gras) was a huge success, and tickets to this event are selling fast!

Attendees are welcome to dress up for this 1920's gangster themed event that features two free drink coupons with ticket purchase, followed by a cash bar, beginning at 6:00pm and available throughout the evening, dinner at 7:30pm, and entertainment to follow. Yes, the Tiger Football team has a home game that afternoon, but dinner does not start until 7:30 so guests will have time to attend this unique social event. Individual tickets are \$50 and couples tickets are 2/\$85. **The ticket price includes admission, two drink coupons, dinner, dessert, and entertainment.** In addition, there will be silent auction items. All proceeds will offset costs for Criminal Justice Club members to travel to Baltimore, MD in the spring to attend the national American Criminal Justice Association meeting and competition. Last spring, the club brought home 9 trophies, and we hope to surpass that in March. Please keep us in mind as you think of a unique way to celebrate Halloween, or simply for an enjoyable night out. Please, also feel free to share this information with your students, friends, and family.

Tickets can be purchased in the Criminal Justice Department in Rarick 233 or at Thirsty's Brew Pub & Grill. We are also happy to deliver tickets in the local area. We accept cash and checks (made payable to "Criminal Justice Club"). Contact Tamara Lynn (tjlynn@fhsu.edu) with questions or to request tickets.

We hope to see you there. Thank you for your support!

Phi Kappa Phi Travel Grant for On- and Off-Campus Graduate Students

If there's any reason why an FHSU graduate student would want to become a member of Phi Kappa Phi, this is it. Eligible graduate and undergraduate students with high enough GPAs were recently mailed an invitation to join Phi Kappa Phi. If uncertain if you are eligible, contact pkp@fhsu.edu.

The Society is offering graduate research travel grants of up to \$1,500 to eligible members who are enrolled in a graduate program. These grants provide funding for travel in support of career development opportunities, such as conducting or presenting research.

"In the spirit of innovation, Phi Kappa Phi is pleased to announce the pilot of a new award, the Graduate Research Grant," said Dr. Mary Todd, Society executive director. "Because graduate research often involves travel, whether for gathering or presenting research, we hope a limited pilot offering will identify member interest in a travel grant program."

To be eligible to apply, applicants must be an active member of Phi Kappa Phi or have accepted membership by November

30, 2018, and currently be enrolled in a graduate program. In addition, the travel to conduct or present research must take place between January 1, 2019, and August 31, 2019. Current Phi Kappa Phi Fellows or previous Dissertation Fellows are not eligible to apply.

To apply for a graduate research grant, please [complete the request form](#) by Friday, November 30. The number of grants to be awarded is contingent upon the availability of funds and the number of applications received.

To learn more about the Graduate Research Grant, [click here](#).

Questions? Contact [@Kelli Partin](#), awards manager, at kpartin@phikappaphi.org.

Majors and Graduate Programs Fair

Thursday, October 18; 11:00am to 3:00pm
Memorial Union Ballroom

The Majors and Graduate Programs Fair is a come-and-go event that showcases all academic areas at FHSU. The fair will have representation from every academic department, Career Services, Honors College, Study Abroad, Graduate School and the Academic Advising and Career Exploration Center in one room to answer academic inquiries for current and prospective FHSU students.

This is a great opportunity for students to gather information to assist them in their educational planning. A well-developed educational plan allows our students to use the knowledge and resources of today to help them plan the future they want. While a student's major gives them direction on course work to take to achieve an undergraduate degree, the Majors and Graduate Programs Fair can provide a greater understanding of additional opportunities that can increase their marketability (certificates, research, graduate school, study abroad).

The AACE Center staff would be happy to come and talk with your class about the Majors and Graduate Programs Fair (what to expect, benefits of attendance and how to get the most out of the event). If you are interested in a 15 minute presentation for your class, please email me your course section, preferred date of presentation, time of class and we will get you scheduled. Presentations can be scheduled for **October 8-17**.

If you would like to have your class attend the event as part of a course expectation or extra credit opportunity, **attendance tracking is available**. Please email me your name, course name and section number to n_brown2@fhsu.edu and I will send you a list of students that attended from your class the week after the fair.

Note that we would encourage students to complete the FHSUMajors.com assessment prior to attending the event. This is a free assessment available to all enrolled students. It is accessible in TigerTracks under the Online Services tab.

Entrepreneurship Faculty Fellows Program

Application Deadline October 15, 5:00 pm

There is a \$4,000 stipend available to faculty appointed as fellows for their one-year commitment. Up to ten faculty will be selected for the 2018-2019 academic year.

For a program description, application, and examples, please contact Dr. David Snow, Director of Entrepreneurship at ddsnow@fhsu.edu or 628-4035.
