The Criminal Justice Club is selling tickets to *A Dinner to Die For*, scheduled for Saturday, October 27, at The Venue @ Thirsty's Brew Pub & Grill. Our previous murder mystery dinner (Murder @ Mardi Gras) was a huge success, and tickets to this event are selling fast!

Attendees are welcome to dress up for this 1920's gangster themed event that features two free drink coupons with ticket purchase, followed by a cash bar, beginning at 6:00pm and available throughout the evening, dinner at 7:30pm, and entertainment to follow. Individual tickets are \$50 and couples tickets are 2/\$85. **The ticket price includes admission, two drink coupons, dinner, dessert, and entertainment.** In addition, there will be silent auction items. All proceeds will offset costs for Criminal Justice Club members to travel to Baltimore, MD in the spring to attend the national American Criminal Justice Association meeting and competition. and we hope to surpass that in March. Please keep us in mind as you think of a unique way to celebrate Halloween, or simply for an enjoyable night out. Please, also feel free to share this information with your students, friends, and family.

Majors and Graduate Programs Fair

Thursday, October 18; 11:00am to 3:00pm
Memorial Union Ballroom

The Majors and Graduate Programs Fair is a come-and-go event that showcases all academic areas at FHSU. The fair will have representation from every academic department, Career Services, Honors College, Study Abroad, Graduate School and the Academic Advising and Career Exploration Center in one room to answer academic inquiries for current and prospective FHSU students.

This is a great opportunity for students to gather information to assist them in their educational planning. A well-developed educational plan allows our students to use the knowledge and resources of today to help them plan the future they want. While a student's major gives them direction on course work to take to achieve an undergraduate degree, the Majors and Graduate Programs Fair can provide a greater understanding of additional opportunities that can increase their marketability (certificates, research, graduate school, study abroad).

The AACE Center staff would be happy to come and talk with your class about the Majors and Graduate Programs Fair (what to expect, benefits of attendance and how to get the most out of the event). If you are interested in a 15 minute presentation for your class, please email me your course section, preferred date of presentation, time of class and we will get you scheduled. Presentations can be scheduled for **October 8-17**.

If you would like to have your class attend the event as part of a course expectation or extra credit opportunity, **attendance tracking is available**. Please email me your name, course name and section number to n_brown2@fhsu.edu and I will send you a list of students that attended from your class the week after the fair.

Note that we would encourage students to complete the FHSUMajors.com assessment prior to attending the event. This is a free assessment available to all enrolled students. It is accessible in TigerTracks under the Online Services tab.
