Homecoming Survey

Feedback Requested on Homecoming 2018

The Homecoming Coordinating Committee and the offices that help plan Homecoming events would appreciate your feedback on this year's events!

A survey can be accessed at <https://baseline.campuslabs.com/fhsu/homecoming2018survey> and should only take 5-10 minutes to complete.

The information collected from this annual survey helps the committee make decisions about events and how we coordinate between offices and our community partners. Whether you were an active participant in Homecoming activities or not, we would like to hear from you.

At the end of this year's survey, you will also be asked to provide feedback on the 2019 Homecoming Theme. Be sure to let your voice be heard!

Thank you!

-Homecoming Coordinating Committee

Kansas Undergraduate Research Day at the Capitol

We are now accepting 250-word abstracts for the February 20 Kansas Undergraduate Research Day at the Capitol!

We are pleased to announce the launch of the 2019 Undergraduate Research Day at the Capitol competition. Click on the [link](#) to view more information.

- Deadline: January 31, 2019
- Discipline/Subject Area: Any

The Kansas Undergraduate Research Day at the Capitol event is an opportunity for students to present their research experiences with state lawmakers in Topeka scheduled for Wednesday, February 20, 2019.

This event will showcase the work of up to 40 Kansas undergraduate students representing each of the state's eight public 4-year institutions. The purpose of this event is to demonstrate the unique opportunities undergraduate students have to participate with faculty members in research at all state institutions. This event will also emphasize higher education's role in developing educated citizens and preparing a workforce with the necessary skills to further the economic growth of the state.

Undergraduate students who have been significantly involved in the research enterprise of the university either with their own project or through meaningful involvement with a faculty project are desired as participants. To qualify for this event, participants must:

- be undergraduates during the 2018-2019 academic year;
- have completed research under the guidance of a Kansas 4-year public institution faculty mentor;
- follow the methodology of the appropriate academic discipline;
- be of sufficient quality to be presented at a professional academic meeting;
- have the skills, resources, and capacity to produce a professional academic poster;
- agree to undergo presentation training and rehearse their presentations prior to the Capitol event.

Participants should be able to convey their experience and enthusiasm to state representatives, senators, and other state officials in a poster session. Projects from a broad range of disciplines are encouraged - especially posters that relate to the state of Kansas and issues important to the state legislature (e.g. education, health, agriculture, aviation, biotechnology, energy, transportation, manufacturing, environment, and social services). Up to 5 projects will be selected from each institution.

Lunch and transportation will be provided. The event will take place on the first floor of the Capitol Rotunda from 10 am to 1 pm. The public is invited to attend. Selected participants will receive additional information regarding the event.

Submissions are accepted from student teams, however only two students from the team will be able to go to the Capitol. One designated student should be listed as the Principal Investigator. The entire research team will be recognized in the program booklet and related materials.

This event will not be an adjudicated poster competition with prizes. All participants will be recognized equally for the honor of participating in this event.

Helpful resources for creating posters may be found at <http://www.fhsu.edu/academic/gradschl/ure/URE-Poster-Tips/>.

Forsyth Library Research Tip of the Week

Attention: The Forsyth Library [ProQuest Databases](#), which include rich, extensive collections like [Ethnic Newswatch](#), [ERIC](#), [Dissertations & Theses Global](#), and the [Nursing & Allied Health Database](#), have added a new feature! ProQuest Databases now enhance the research process by suggesting related items from across the ProQuest ecosystem.

For example, the index record "NPO Status and Adverse Events in Children Undergoing Procedural Sedation and Analgesia in the Emergency Department," found using the [Nursing & Allied Health Database](#), recommends full text articles like "Defining an NPO" and "Sedation and analgesia for procedures in children," along with ProQuest eBook Central books like *Procedural Sedation for infants, Children, and Adolescents*.

The full text article "Freud and Nietzsche on Sublimation," from the [Philosopher's Index](#) collection, recommends dissertations such as "Freud or Nietzsche: The drives, pleasure, and social happiness" and scholarly articles like "Nietzsche and Freud: Questions of Life and Death."

Expand your research horizons and make critical breakthroughs. ProQuest Databases help you pinpoint the sources you're looking for – and find those you didn't know existed.

Contact information:

If you have any questions about this feature, or any of our database collections, please contact Nathan Elwood neelwood@fhsu.edu or 785.628.4742

Get Your Murder Mystery Tickets Before It's Too Late

Halloween will be here soon, and what better way to celebrate than a murder mystery dinner. The Criminal Justice Club is selling tickets to *A Dinner to Die For*, scheduled for Saturday, October 27, at The Venue @ Thirsty's Brew Pub & Grill. Our previous murder mystery dinner (Murder @ Mardi Gras) was a huge success, and tickets to this event are selling fast!

Attendees are welcome to dress up for this 1920's gangster themed event that features two free drink coupons with ticket purchase, followed by a cash bar, beginning at 6:00pm and available throughout the evening, dinner at 7:30pm, and entertainment to follow. Yes, the Tiger Football team has a home game that afternoon, but dinner does not start until 7:30 so guests will have time to attend this unique social event. Individual tickets are \$50 and couples tickets are 2/\$85. ***The ticket price includes admission, two drink coupons, dinner, dessert, and entertainment.*** In addition, there will be silent auction items. All proceeds will offset costs for Criminal Justice Club members to travel to Baltimore, MD in the spring to attend the national American Criminal Justice Association meeting and competition. Last spring, the club brought home 9 trophies, and we hope to surpass that in March. Please keep us in mind as you think of a unique way to celebrate Halloween, or simply for an enjoyable night out. Please, also feel free to share this information with your students, friends, and family.

Tickets can be purchased in the Criminal Justice Department in Rarick 233 or at Thirsty's Brew Pub & Grill. We are also happy to deliver tickets in the local area. We accept cash and checks (made payable to "Criminal Justice Club"). Contact Tamara Lynn (tjlynn@fhsu.edu) with questions or to request tickets.

We hope to see you there. Thank you for your support!
