July 11, 1963

Dear Degree Candidate:

Congratulations are in order to you for your successful accomplishments. Your past investments of work, study and temporary curtailment of financial gain are now beginning to pay dividends and should continue to do so.

Many of you will now be entering a professional or occupational life; others will continue in graduate or professional schools. To those of you who have used the Placement Office facilities in obtaining appointments to positions, I would like to say it has been a pleasure to work with you. If you have any ideas on how we might improve this service, please feel free to let us hear them. The services of the Placement Office are open to you as long as you live. We shall be happy to work with you any time in the future that you are looking for advancement. Our interest in you definitely continues on and beyond your date of graduation and we would express the desire that the converse might also be true.

We feel that if we expect you to remain loyal and interested in Fort Hays State as an active alumnus, then we must maintain certain obligations to you. The Placement Office is one of these fulfillments. We hope that you will remain vitally interested in Fort Hays State and work through our Alumni Association.

In order to be an active member of the Fort Hays Alumni Association, annual dues of \$3.00 or a \$20.00 life membership must be paid. We realize, of course, that many of you may be rather hard pressed at the moment financially and so we are making you an Honorary Active Alumnus for the first year following your graduation. You will have the same rights and privileges as that of any other member and will receive bi-monthly issues of The Alumni News. Our desire is that at the end of the first year, you will wish to keep your membership active and thus work for the general promotion toward a better Fort Hays State.

Fort Hays State has offered you the best she has. The goal of the Alumni Association is to see a constant improvement of these offerings. We feel sure that, as an educated citizen, you will see fit to help us.

Sincerely yours,

Harold A. Stones
