Homecoming Survey

Feedback Requested on Homecoming 2018

The Homecoming Coordinating Committee and the offices that help plan Homecoming events would appreciate your feedback on this year's events!

A survey can be accessed at <https://baseline.campuslabs.com/fhsu/homecoming2018survey> and should only take 5-10 minutes to complete.

The information collected from this annual survey helps the committee make decisions about events and how we coordinate between offices and our community partners. Whether you were an active participant in Homecoming activities or not, we would like to hear from you.

At the end of this year's survey, you will also be asked to provide feedback on the 2019 Homecoming Theme. Be sure to let your voice be heard!

Forsyth Library Research Tip of the Week

Attention: The Forsyth Library [ProQuest Databases](#), which include rich, extensive collections like [Ethnic Newswatch](#), [ERIC](#), [Dissertations & Theses Global](#), and the [Nursing & Allied Health Database](#), have added a new feature! ProQuest Databases now enhance the research process by suggesting related items from across the ProQuest ecosystem.

For example, the index record “NPO Status and Adverse Events in Children Undergoing Procedural Sedation and Analgesia in the Emergency Department,” found using the [Nursing & Allied Health Database](#), recommends full text articles like “Defining an NPO” and “Sedation and analgesia for procedures in children,” along with ProQuest eBook Central books like *Procedural Sedation for infants, Children, and Adolescents*.

The full text article “Freud and Nietzsche on Sublimation,” from the [Philosopher’s Index](#) collection, recommends dissertations such as “Freud or Nietzsche: The drives, pleasure, and social happiness” and scholarly articles like “Nietzsche and Freud: Questions of Life and Death.”

Expand your research horizons and make critical breakthroughs. ProQuest Databases help you pinpoint the sources you’re looking for – and find those you didn’t know existed.

Contact information:

If you have any questions about this feature, or any of our database collections, please contact Nathan Elwood neelwood@fhsu.edu or 785.628.4742

Study Abroad 101 Sessions

On October 3, the Office of Study Abroad will be kicking off a series of sessions for students across campus to come and learn more about the benefits of study abroad as well as about all the great programs FHSU has to offer. Students will learn how to get the application process started and have the opportunity to meet some Tiger Ambassadors who have just returned home from their own study abroad experience. Tiger Ambassadors will be available to answer questions and share their personal testimonies.

Stacey Lang, Study Abroad Coordinator, will be hosting 4 sessions, each one on a Wednesday throughout the month of October. Please encourage your students and student workers to attend if they have any interest or want to learn more about how Study Abroad can greatly benefit their academic goals and career path in the future.
