Feedback Requested on Homecoming 2018

The Homecoming Coordinating Committee and the offices that help plan Homecoming events would appreciate your feedback on this year's events!

A survey can be accessed at <https://baseline.campuslabs.com/fhsu/homecoming2018survey> and should only take 5-10 minutes to complete.

The information collected from this annual survey helps the committee make decisions about events and how we coordinate between offices and our community partners. Whether you were an active participant in Homecoming activities or not, we would like to hear from you.

At the end of this year's survey, you will also be asked to provide feedback on the 2019 Homecoming Theme. Be sure to let your voice be heard!

## Kansas Undergraduate Research Day at the Capitol

We are now accepting 250-word abstracts for the February 20 Kansas Undergraduate Research Day at the Capitol!

We are pleased to announce the launch of the 2019 Undergraduate Research Day at the Capitol competition. Click on the [link](#) to view more information.

- Deadline: January 31, 2019
- Discipline/Subject Area: Any

The Kansas Undergraduate Research Day at the Capitol event is an opportunity for students to present their research experiences with state lawmakers in Topeka scheduled for Wednesday, February 20, 2019.

This event will showcase the work of up to 40 Kansas undergraduate students representing each of the state's eight public 4-year institutions. The purpose of this event is to demonstrate the unique opportunities undergraduate students have to participate with faculty members in research at all state institutions. This event will also emphasize higher education's role in developing educated citizens and preparing a workforce with the necessary skills to further the economic growth of the state.

Undergraduate students who have been significantly involved in the research enterprise of the university either with their own project or through meaningful involvement with a faculty project are desired as participants. To qualify for this event, participants must:

- be undergraduates during the 2018-2019 academic year;
- have completed research under the guidance of a Kansas 4-year public institution faculty mentor;
- follow the methodology of the appropriate academic discipline;
- be of sufficient quality to be presented at a professional academic meeting;
- have the skills, resources, and capacity to produce a professional academic poster;
- agree to undergo presentation training and rehearse their presentations prior to the Capitol event.

Participants should be able to convey their experience and enthusiasm to state representatives, senators, and other state officials in a poster session. Projects from a broad range of disciplines are encouraged - especially posters that relate to the state of Kansas and issues important to the state legislature (e.g. education, health, agriculture, aviation, biotechnology, energy, transportation, manufacturing, environment, and social services). Up to 5 projects will be selected from each institution.

Lunch and transportation will be provided. The event will take place on the first floor of the Capitol Rotunda from 10 am to 1 pm. The public is invited to attend. Selected participants will receive additional information regarding the event.

Submissions are accepted from student teams, however only two students from the team will be able to go to the Capitol. One designated student should be listed as the Principal Investigator. The entire research team will be recognized in the program booklet and related materials.

This event will not be an adjudicated poster competition with prizes. All participants will be recognized equally for the honor of participating in this event.

Helpful resources for creating posters may be found at <http://www.fhsu.edu/academic/gradschl/ure/URE-Poster-Tips/>.

PKP's motto is of **Philosophía Krateítō Phōtōn** – “Let the love of learning rule humanity.” It's mission is to recognize and celebrate those individuals who are dedicated to excellence, which is a lifelong learning and a willingness to share the fruits of that process in public service and the greater good. The PKP-FHSU local chapter has been around since 1954 and has recognized literally hundreds of FHSU alumni and faculty for their scholarly contributions and commitment to excellence.

Please RSVP to Dr. Jerri Haynes at [jahaynes3@fhsu.edu](mailto:jahaynes3@fhsu.edu). For further questions about this event, please contact Ms. Cindy Elliott *via* e-mail at [celliot@fhsu.edu](mailto:celliot@fhsu.edu).
