Dear Fort Hays State Parents:

As the parents of a candidate for the Bachelor's degree this Spring, we offer our hearty congratulations to you. It is very rare that anyone has the determination to work and finish college without a great deal of support and inspiration from home. Our society owes you a debt for being the kind of parents you have been and are.

Because of this, we feel you may be interested in a rather unique graduation present for your young graduate--an annual or life membership in the Fort Hays Alumni Association. We are most anxious to retain close ties with all who have studied at our fine college. The Alumni Association provides the future college contact for all who have studied here.

We are planning a formal presentation of all memberships purchased by parents as graduation presents. President Cunningham will present them individually to your son or daughter during the All-Graduate Luncheon on Commencement Day. We believe this will be a very impressive ceremony, and one your child will long remember.

Every Life Member receives a lifetime subscription of the bi-monthly Alumni News, and other information which keeps the alumnus up-to-date on the doings of his classmates and his college. More importantly, it helps retain the feeling of close contact and the security that comes from being an Active Alumnus. The Annual Membership will purchase all the above items on a one year basis.

If this strikes you as being worthwhile, please fill out the bottom portion of this letter and return in the franked envelope. You will have performed a definite service to your child.

Sincerely,

Harold A. Stones  
Executive Secretary  
Fort Hays Alumni Association, Inc.

Dear Graduate:

Congratulations are in order to you for your successful accomplishments. Your past investments of work, study and temporary curtailment of financial gain are now beginning to pay dividends and should continue to do so.

Many of you will now be entering a professional or occupational life; others will continue in graduate or professional schools. To those of you who have used the Placement Office facilities in obtaining appointments to positions, I would like to say it has been a pleasure to work with you. If you have any ideas on how we might improve this service, please feel free to let us hear them. The services of the Placement Office are open to you as long as you live. We shall be happy to work with you any time in the future that you are looking for advancement. Our interest in you definitely continues on and beyond your date of graduation and we would express the desire that the reverse might also be true.

We feel that if we expect you to remain loyal and interested in Fort Hays State as an active alumnus, then we must maintain certain obligations to you. The Placement Office is one of these fulfillments. We hope that you will remain vitally interested in Fort Hays State and work through our Alumni Association.

In order to be an active member of the Fort Hays Alumni Association, annual dues of \$6.00 or \$50.00 life membership may be paid. For this money, you will receive the Alumni News which will keep you in touch with the happenings of student friends, faculty members, and the college in general. You will also receive many other informational items as well as voting privileges. Most of all, however, you will be demonstrating your continuing interest in your alma mater. This should be a source of pride to you.

Fort Hays State has offered you the best she has. The goal of the Alumni Association is to see a constant improvement of these offerings. We feel sure that, as an educated citizen, you will see fit to help us.

Sincerely yours,

Harold A. Stones  
Executive Secretary  
Fort Hays Alumni Association, Inc.

P. S.

Would you please fill in the enclosed Senior Class Card and return it in the enclosed postage paid envelope. We would appreciate being notified of any address changes that you may have.
