ANNOUNCEMENTS

[Kansas Undergraduate Research Day at the Capitol](#)

We are now accepting 250-word abstracts for the February 20 Kansas Undergraduate Research Day at the Capitol!

We are pleased to announce the launch of the 2019 Undergraduate Research Day at the Capitol competition. Click on the [link](#) to view more information.

- Deadline: January 31, 2019
- Discipline/Subject Area: Any

[The Kansas Undergraduate Research Day at the Capitol event is an opportunity for students to present their research experiences with state lawmakers in Topeka scheduled for Wednesday, February 20, 2019.](#)

This event will showcase the work of up to 40 Kansas undergraduate students representing each of the state's eight public 4-year institutions. The purpose of this event is to demonstrate the unique opportunities undergraduate students have to participate with faculty members in research at all state institutions. This event will also emphasize higher education's role in developing educated citizens and preparing a workforce with the necessary skills to further the economic growth of the state.

Undergraduate students who have been significantly involved in the research enterprise of the university either with their own project or through meaningful involvement with a faculty project are desired as participants. To qualify for this event, participants must:

- be undergraduates during the 2018-2019 academic year;
- have completed research under the guidance of a Kansas 4-year public institution faculty mentor;
- follow the methodology of the appropriate academic discipline;
- be of sufficient quality to be presented at a professional academic meeting;
- have the skills, resources, and capacity to produce a professional academic poster;
- agree to undergo presentation training and rehearse their presentations prior to the Capitol event.

Participants should be able to convey their experience and enthusiasm to state representatives, senators, and other state officials in a poster session. Projects from a broad range of disciplines are encouraged - especially posters that relate to the state of Kansas and issues important to the state legislature (e.g. education, health, agriculture, aviation, biotechnology, energy, transportation, manufacturing, environment, and social services). Up to 5 projects will be selected from each institution.

Lunch and transportation will be provided. The event will take place on the first floor of the Capitol Rotunda from 10 am to 1 pm. The public is invited to attend. Selected participants will receive additional information regarding the event.

Submissions are accepted from student teams, however only two students from the team will be able to go to the Capitol. One designated student should be listed as the Principal Investigator. The entire research team will be recognized in the program booklet and related materials.

This event will not be an adjudicated poster competition with prizes. All participants will be recognized equally for the honor of participating in this event.

Helpful resources for creating posters may be found at <http://www.fhsu.edu/academic/gradschl/ure/URE-Poster-Tips/>.

Security Awareness Training is due November 30!

Security Awareness Training is due on November 30! If you don't complete training, then your TigerNetID will be suspended until you make plans to complete training. Remember that your TigerNetID gets you into email, Workday, Blackboard, TigerCentral, and many other systems. Please complete your training soon!

Annual Security Awareness Training is required for:

- Faculty (including adjuncts, Virtual College, part-time, and full-time)
- Staff (including part-time and full-time)
- Temporary staff who use computers at work or have FHSU email addresses
- Student employees and graduate assistants who have TigerNetID accounts that end in .se
- People who work for affiliated organizations and have @fhsu.edu email accounts, login to computers in the ad.fhsu.edu domain, or access University data
- **If you were hired in the last year and completed your initial training**, you will still need to complete annual training during October or November.

How it works

1. Log in to Security Awareness Training at <https://sso.securingthehuman.org/fhsu/main.php> with your TigerNetID username and password. Student employees should use their .se account.
2. Click on a module to begin training. Start with "You are the Shield" in the top left corner.
3. Watch the video and correctly answer 2 questions for each module listed under "Mandatory Training." Modules that you have fully completed will turn blue and have the word "Completed" under the title.
4. You're finished when all mandatory modules are blue and there is text at the top that reads, "You have completed all required training for Security Awareness Training."

How long it takes

- **If you took the training during Fall 2017 or when you were hired**, you will be assigned 8 modules. There are 24 minutes of videos, plus 2 quiz questions per video.
- **If you've never taken the training**, you will be assigned 14 modules. There are 44 minutes of videos, plus 2 quiz questions per video.
- **If you handle student financial information or take credit card payments**, you will be required to complete 1 or 2 additional modules. This will add less than 10 minutes to your training.

The **2019-20 Free Application for Federal Student Aid (FAFSA)** is available at fafsa.gov. The FHSU priority deadline is **December 1, 2018**. Because some financial aid programs have limited funds and are awarded on a first-come, first-served basis, it is to your student's advantage to submit their FAFSA before the priority deadline. Dickens Carolers

CALLING ALL VOCALISTS WHO LOVE CHRISTMAS CAROLS!

The FHSU CHOIRS are once again forming the **DICKENS CAROLERS**, named after author Charles Dickens, and for the type of English Carolers you see in stories like A CHRISTMAS CAROL. (i.e., "Scrooge")

Requests for groups of carolers come as the Holiday Season approaches...we have several already! To meet this demand, the members of the FHSU Choirs are inviting **any students/faculty /staff** to join us in providing a little Christmas cheer!

REPLY BY E-MAIL TO DR. TERRY CRULL IF YOU WISH TO BE ADDED TO THE LIST.

I will then send out a notification for upcoming gigs, using that list.

Questions?

Dr. Terry Crull, FHSU Choirs

tacrull@fhsu.edu; 628-4258(o); 639-3200(c)

Caroling books will be provided for members of the DICKENS CAROLERS to use as we perform.

Some gigs require only a qtet or octet; however, several gigs will be "Y'all COME!" and will be open to any/all interested singers...no one will be excluded!

Ceramics Classes

Would you like to explore or expand your creativity in a dynamic, interactive class? Consider taking a class in Ceramics next Spring.

The foundation class Art 260: Ceramics I is offered at 10:30 am – 12:20 on Monday, Wednesday, and Friday. This class features Creation Stations designed to build hand skills, followed by Deep Studio Time, allowing students to use the skills they learned in a more in-depth project. Ceramics Designed for Life introduces functional pottery, industrial products such as cell phone holders, and ceramic objects designed to enhance an interior. Ceramics as Expression begins with mask making, then moves into solid sculpting and hollow forms before students engage the Deep Studio Experience. Finally, experimental projects explore the properties of clay, glaze and firing to produce unexpected results.

Art 360: Ceramics II focuses on the skill of throwing on the Potter's Wheel. Inspired by their favorite foods, students learn to create vessels to enhance their favorite dishes. Near the end of class, students will learn to stage and take photographs of their pots in action and develop a class cookbook. Then we eat our props. This class meets at 4:30 – 7:20 pm on Monday and Wednesday.

There are no pre-requisites for either class, as both classes start with the basics and work to develop more advanced skills. You don't need to be an Art and Design major to enroll or benefit from this creative experience. All skill levels are welcome. A studio free covers tools and materials.
