FORT HAYS KANSAS STATE COLLEGE

MEMORANDUM

To Mr. Horton Date Nov. 2, 1960  
From M. C. Cunningham

I am sorry I have been so late on this building committee but I did want to talk to Dr. Moreland because I plan to make him chairman of the committee as far as the faculty group were concerned and I wanted to be sure that we had people whom he thought would work on the committee. I understand that he had a talk with you this morning and he has just been in and given me the list of the ones whom he thinks should be on the committee.

I am nominating Dr. Moreland, Mr. Jellison, Mr. Myrl Walker, Miss Stouffer, and Miss van Ackeren.

I feel that you can call in Mr. Ray Brooks or Mr. Keating or anyone else whom the committee feels the need to have as a consultant on any special matter. I know that I could have put many more on the committee from the faculty but I feel that if you have five from the students and five from the faculty that that is as large a committee as you should have if they expect to get anything done.

If you do not approve of any of this, please let me know and I will be glad to talk it over with you.
