I have your note relative to the auditorium for the Union. In the preliminary planning of the Union, there was some discussion of the need for an auditorium, but since it is estimated that this would cost in the neighborhood of \$500,000, it had to be eliminated from consideration. The proposed ballroom will seat more than this but probably not as satisfactory as in an auditorium arrangement.

Mr. Schober of the State Architect's Office called me yesterday and indicated that the plans on the Union are complete and he was wanting to set a date for the calling of bids. I informed him that as of yet, we did not have the money and a bid date would have to be postponed until we had some assurance from Fort Worth that the loan will be approved.
