ANNOUNCEMENTS

John Heinrichs Scholarly and Creative Activities Day - NEW FOR 2019!

At this year's Scholarly and Creative Activities Day (SACAD), round table discussions will be offered in addition to 15 minute oral presentations on Wednesday April 24 from 8 am to 1 pm.

Round table sessions will allow individuals working and/or interested in a variety of scholarly topics to engage in a moderated discussion. A general topic will be identified for each table with two to four paper presentations per table. A presider will coordinate timed round table discussions.

All students, including undergraduate and graduate students, staff, and faculty who are interested in presenting in an assigned oral session or round table should submit their application through the SACAD portal between March 1 and April 1, 2019. Submissions are to include an abstract of the proposed presentation adhering to SACAD guidelines for empirical or non-

empirical work. Individuals may present in either oral or round table sessions, in addition to poster formats, in which separate submissions are required.

Oral Presentation Subcommittee members from SACAD will conduct a review of all entries for oral and round table sessions, using the SACAD criteria for empirical and non-empirical work, and rank them according to content and broader impact. Speakers will be selected based on available slots and notified.

For more information contact Leslie Paige lp Paige@fhsu.edu.

Allied Health Department Seeks Obstetrical Models for Student Training from Campus Community and Hays Community

The Allied Health Ultrasound program is seeking **expecting women** from campus and the community willing to serve as a scan model for training students. Each ultrasound scan is supervised by a certified sonographer that works with the students to learn the proper mechanics of scanning. Each scan will take about one hour. There is no charge. There is no official report reading from a physician generated. Requirements to volunteer, is that the expecting mother is between 20 and 40 weeks at their scheduled scan time, the mother cannot be considered to be in a high risk pregnancy, and must have physician permission. Ultrasound appointments will be set up for Tuesday early afternoons or Wednesday mornings.

For those interested or if you know someone who might be interested, please contact Jennifer Wagner at jrwagner@fhsu.edu for more information.

Year End Gifts

The year 2018 is nearing the end and people are making year end gifts to the University. With this in mind I am asking you for your assistance. Should your office receive a gift during these last weeks of December (especially since the University will be closed between Christmas and New Years) I ask that you send copies of all correspondence, along with the envelope the gift was mailed in, to the Foundation office for processing. **IT IS MOST IMPORTANT TO KEEP THE ENVELOPE BECAUSE THE POSTMARK DATE DETERMINES THE DATE OF THE GIFT.** This will help determine what year the gift will be applied to. If you have any questions, please feel free to contact Teresa Hammerschmidt at (785) 628-5624. Thank You!
