ANNOUNCEMENTS

Submissions for the Kansas Undergraduate Research Day at the Capitol – DUE TOMORROW

Submissions for the Kansas Undergraduate Research day at the Capitol are due tomorrow Jan 31!!!! Undergraduate researchers from all disciplines are encouraged to submit a 250 word abstract. See details at [link](#) to view more information.

The Kansas Undergraduate Research Day at the Capitol event is an opportunity for students to present their research experiences with state lawmakers in Topeka scheduled for Wednesday, February 20, 2019.

This event will showcase the work of up to 40 Kansas undergraduate students representing each of the state's eight public 4-year institutions. The purpose of this event is to demonstrate the unique opportunities undergraduate students have to participate with faculty members in research at all state institutions. This event will also emphasize higher education's role in developing educated citizens and preparing a workforce with the necessary skills to further the economic growth of the state.

Undergraduate students who have been significantly involved in the research enterprise of the university either with their own project or through meaningful involvement with a faculty project are desired as participants. To qualify for this event, participants must:

- be undergraduates during the 2018-2019 academic year;
- have completed research under the guidance of a Kansas 4-year public institution faculty mentor;
- follow the methodology of the appropriate academic discipline;
- be of sufficient quality to be presented at a professional academic meeting;
- have the skills, resources, and capacity to produce a professional academic poster;
- agree to undergo presentation training and rehearse their presentations prior to the Capitol event.

Participants should be able to convey their experience and enthusiasm to state representatives, senators, and other state officials in a poster session. Projects from a broad range of disciplines are encouraged - especially posters that relate to the state of Kansas and issues important to the state legislature (e.g. education, health, agriculture, aviation, biotechnology, energy, transportation, manufacturing, environment, and social services). Up to 5 projects will be selected from each institution.

Lunch and transportation will be provided. The event will take place on the first floor of the Capitol Rotunda from 10 am to 1 pm. The public is invited to attend. Selected participants will receive additional information regarding the event.

Submissions are accepted from student teams, however only two students from the team will be able to go to the Capitol. One designated student should be listed as the Principal Investigator. The entire research team will be recognized in the program booklet and related materials.

This event will not be an adjudicated poster competition with prizes. All participants will be recognized equally for the honor of participating in this event.

Helpful resources for creating posters may be found at <http://www.fhsu.edu/academic/gradschl/ure/URE-Poster-Tips/>

FHSU and K-State Juvenile Justice Initiative Seeks Locals

A team from Fort Hays State University is partnering with the K-State Juvenile Justice Collaborative on a project awarded funding by the Kansas Department of Corrections and the Kansas Advisory Group. The project, titled "Our Town, Our Kids," aims to work with local communities in developing support systems for youth and families in order to prevent youth from entering the juvenile justice system and to provide services that maximize their chances of leading productive, successful lives. Michael Walker, director of the Docking Institute, and Dr. April Terry, assistant professor in the Department of Criminal Justice, are providing content expertise in the areas of data management and juvenile justice. They are joined by Luis Montelongo and Dr. Jian Sun as data analysts. The K-State JJC is comprised of Dr. L. Susan Williams, professor of sociology and criminology; Dr. Greg Paul, associate professor and interim department head of communication studies; Dr. Elaine Johannes, associate professor of family studies and human services and Extension specialist; and Bruce Chladny, K-State Research and Extension specialist.

Over the next two years, the group will work with stakeholders in 23 pre-selected Kansas counties (please see the website for a full list). They will build community capacity in data collection and analysis and foster community collaboration in support of youth and families. Professionals from K-State Research and Extension will facilitate local conversations that identify areas of concern and develop knowledge bases that will prepare communities to deliver best-practice programs in their respective areas. As part of the effort to engage positive community support, the group will develop a comprehensive toolkit for all Kansas communities that will facilitate local, sustainable systems that serve unique needs of youth.

If you have knowledge of any of the 23 pre-selected counties, and are interested in having your voice heard on issues related to youth in Kansas, please contact a team member below.

Student Recognition Programs

Greetings, friends! We are very excited to invite you in advance to this spring's upcoming annual **Student Recognition Programs**. As you may know from past years, SRPs are reception-style events held on-location throughout our Kansas, Nebraska, and Colorado recruiting territories. We will be travelling to Future Tigers' hometowns in an attempt to bring Fort Hays *to* them, *for* them.

Your enthusiastic participation is crucial to the success of these events! These programs are essential during the recruitment process in solidifying our prospective students' decision to become Tigers. For example, following last year's Topeka SRP, 45 out of the 47 students in attendance ultimately chose Fort Hays! **Overall, 82% of the 2018 SRP attendees became Tigers. Way to go, team!** Without your participation, this great return would not have become a reality.

As a reminder, alumni members and non-academic groups (clubs, organizations, etc.) are also welcome to join us on the road. The Office of Admissions will be providing transportation again this year for those who wish to travel with us. Please contact Jon Armstrong at (785) 628-4091 or jdarmstrong@fhsu.edu with any questions or interest in SRP participation.

To view the schedule of events, please visit <https://www.fhsu.edu/admissions/srp>.

- Which considerations can consistently predict whether individuals are comfortable identifying as being a member of a pan-ethnic group?
- Why do major Latino ethnic groups display differences in ideological views and voting participation levels?
- Under what circumstances do Latinos form political alliances with other prominent racial/ethnic groups (e.g. African Americans, Asian Americans, etc.)?
- How might recent controversies regarding immigration policy shape Latino political attitudes or beliefs about the American political system?

The seminar will be offered in the second half of the Spring 2019 semester (03/18/19 - 05/17/19). For additional information about the course, please contact Dr. Christopher Olds at cpolds@fhsu.edu.
