Hays, Kas.

Dear Harold:

I have an idea about concluding my commencement address with a recording of a new Kansas song, The Lark. Will you please check if the college has equipment and speakers which could give us good mixing of this for an outdoor program?

I would like to check-out the record and equipment probably Sunday, May 23, if possible.

Also I asked Pres. Cunningham for the number of out-of-state students and out-of-country in the 1965 class. Have not heard from you. Could you give me this answer.

Surprisingly enough some who are receiving your invitations are planning to attend. It certainly is receiving wide publicity from the mail and clippings I am receiving.

Best wishes,

Be
