Award for Outstanding Undergraduate Scholar

The Undergraduate Research Experience (URE) Steering Committee is seeking nominations from faculty and staff for the annual FHSU Award for Outstanding Undergraduate Scholars.

The URE Steering Committee offers this prestigious award to recognize undergraduate students who exemplify scholarly activity. Qualities that make a student successful in scholarly activities characterize those same qualities FHSU seeks to develop in students: original thought, creative ideas, communicating with professional colleagues, critical reasoning, analysis of research, translation of evidence into practice, and first-hand knowledge of how work is performed within a professional discipline.

The URE Steering Committee will provide **five awards**, one for an outstanding undergraduate student from **each college**. Nomination letters can come from FHSU faculty or staff, and should be submitted through [this website](#) no later than **March 3, 2019**. Any FHSU undergraduate student--including KAMS and Virtual College students--is eligible. The research project may be from the award year or past years; however, the student must have been an undergraduate student for a minimum of one semester during the award year. The nomination should describe the scholarly qualifications and products of the student--for example, published papers, professional presentations, on-campus research activities, musical/artistic performance, or other novel scholarly activity. The nomination should clarify the role of the undergraduate student in the scholarly activity. The nominator should also include the nominee's CV or resume.

Nominations will be evaluated by a subcommittee of the URE Steering Committee, who will make a recommendation to the full URE Steering Committee. Winners will be recognized during Undergraduate Research Week in April 2019.

Coming Soon! 25Live, FHSU's New Room Reservation System

We will soon be launching our new campus-wide room reservation system, 25Live. 25Live will replace our current EMS room reservation system. Read on for more information regarding this transition.

Will I need to resubmit reservations that were made in EMS?

No. All future events that were booked using EMS will be imported into 25Live. You will not need to resubmit any events that were previously made in EMS.

University Calendar

The University calendar was updated to the 25Live calendar when the website redesign launched. The Memorial Union is already using 25Live in place of EMS, so all events taking place in the Memorial Union are available on the new 25Live calendar.

When will 25Live be available to campus, and when will EMS be discontinued?

Online reservations through EMS will be discontinued approximately one week prior to the 25Live campus launch. During that week, we will import any remaining EMS events into 25Live. The 25Live launch date is not yet determined, but we are shooting for March 2019. Watch TigerDaily for more information about the launch date.

Will training be available for 25Live?

Yes. Once 25Live launches, we are planning to schedule training sessions and open lab work sessions. User guides will be available on the website.

Black History Month: Shawn Carter b.k.a. Jay Z: Can't Knock the Hustle

Beyond an immensely successful rap career Shawn "Jay Z" Carter has built an empire worth approx. \$900 million. With a whopping 13 studio albums, 1 live album, 5 compilation albums, 1 soundtrack, 4 collective albums, 115 singles and 82 music videos he has made a significant impact on music since stepping on the scene in 1996. Beyond the music Jay Z is also a business savvy entrepreneur and has let the world know in the *Diamonds From Sierra Leone (remix)*; "I'm not a businessman; I'm a business, man!". Although Mr. Carter grew up in quite humble beginnings in the Marcy Projects of Brooklyn, NY he didn't let his environment hinder his development. This rapper turned business mogul has business ventures in everything from clothing companies (Rocawear), restaurants & clubs (40-40 club), sports management firms (Brooklyn Nets & Roc Nation Sports), record labels (Roc-A-Fella Records & Roc Nation), streaming services (Tidal), venture capital firms (Arrive), and wine retail (Armand de Brignac Champagne) to name a few. However, even thru the success Carter has consistently been charitable and philanthropic in his giving using his brand and platform to stand for and make statements. Carter has worked with and contributed to causes and charities associated with Boys & Girls Clubs of America; Broadway Cares/Equity Fights AIDS; Multiple Myeloma Research Foundation; Red Cross; Global Poverty Project; United Way; Color of Change to bail out fathers for Father's Day as well as bailing out Black Lives Matters protestors. In one of his famous quotes on life Mr. Carter was quoted as saying "*Be more concerned with your character than your reputation. Because your character is what you really are, while your reputation is merely what others think you are.*"

FHSU and K-State Juvenile Justice Initiative Seeks Locals

A team from Fort Hays State University is partnering with the K-State Juvenile Justice Collaborative on a project awarded funding by the Kansas Department of Corrections and the Kansas Advisory Group. The project, titled “Our Town, Our Kids,” aims to work with local communities in developing support systems for youth and families in order to prevent youth from entering the juvenile justice system and to provide services that maximize their chances of leading productive, successful lives. Michael Walker, director of the Docking Institute, and Dr. April Terry, assistant professor in the Department of Criminal Justice, are providing content expertise in the areas of data management and juvenile justice. They are joined by Luis Montelongo and Dr. Jian Sun as data analysts. The K-State JJC is comprised of Dr. L. Susan Williams, professor of sociology and criminology; Dr. Greg Paul, associate professor and interim department head of communication studies; Dr. Elaine Johannes, associate professor of family studies and human services and Extension specialist; and Bruce Chladny, K-State Research and Extension specialist.

Over the next two years, the group will work with stakeholders in 23 pre-selected Kansas counties (please see the website for a full list). They will build community capacity in data collection and analysis and foster community collaboration in support of youth and families. Professionals from K-State Research and Extension will facilitate local conversations that identify areas of concern and develop knowledge bases that will prepare communities to deliver best-practice programs in their respective areas. As part of the effort to engage positive community support, the group will develop a comprehensive toolkit for all Kansas communities that will facilitate local, sustainable systems that serve unique needs of youth.

If you have knowledge of any of the 23 pre-selected counties, and are interested in having your voice heard on issues related to youth in Kansas, please contact a team member below.

Student Recognition Programs

Greetings, friends! We are very excited to invite you in advance to this spring's upcoming annual **Student Recognition Programs**. As you may know from past years, SRPs are reception-style events held on-location throughout our Kansas,

Nebraska, and Colorado recruiting territories. We will be travelling to Future Tigers' hometowns in an attempt to bring Fort Hays to them, *for* them.

Your enthusiastic participation is crucial to the success of these events! These programs are essential during the recruitment process in solidifying our prospective students' decision to become Tigers. For example, following last year's Topeka SRP, 45 out of the 47 students in attendance ultimately chose Fort Hays! **Overall, 82% of the 2018 SRP attendees became Tigers.** *Way to go, team!* Without your participation, this great return would not have become a reality.

As a reminder, alumni members and non-academic groups (clubs, organizations, etc.) are also welcome to join us on the road. The Office of Admissions will be providing transportation again this year for those who wish to travel with us. Please contact Jon Armstrong at (785) 628-4091 or jdarmstrong@fhsu.edu with any questions or interest in SRP participation.

To view the schedule of events, please visit <https://www.fhsu.edu/admissions/srp>.
