### **Email Policy**

In December, 2018, FHSU Cabinet approved an updated email policy. The updated policy can be viewed at <https://www.fhsu.edu/policies/info-access/index>

The main purpose behind this change was to clarify the language about forwarding email. The policy now reads: “Faculty and staff are not to automatically forward their official @fhsu.edu e-mail to another vendor for themselves including their @mail.fhsu.edu Google account. Unauthorized automatic forwards will be removed by Technology Services.” We will start enforcing this portion of the policy on **Friday, March 8, 2019**. Tech Services will remove the “forwarding” setting on any account forwarded to another email system. We will also remove any mail rules that redirect email to another email system.

Security and legal requirements are the primary reasons for keeping all FHSU email within one mail system. We can’t ensure that data are being protected in accordance with FERPA, HIPAA, and other regulations when internal communications are being forwarded outside of FHSU’s control. We’re also required to report privacy breaches to our students, which is impossible to do when our internal communications are funneled to outside platforms. We’ve invested in additional security features and protection for our Outlook email system, which is why we aren’t allowing Outlook email to be forwarded to FHSU Gmail. Additionally, keeping all FHSU email within Outlook also gives us the ability to respond to litigation holds and Kansas Open Records Act requests.

Please email [magriffin2@fhsu.edu](mailto:magriffin2@fhsu.edu) if you have any questions about the email policy. TigerTech can assist you if you have any trouble accessing or using your FHSU Outlook email account.

### **VIP Ambassador Program Seeking Candidates – Deadline to Apply is March 7**

Do you know any students that are looking for a meaningful way to get involved at FHSU? Through the VIP Ambassador program, they’ll have opportunities to represent the university while building leadership, communication and networking skills that will help them succeed now and in the future.

Each applicant must be a full-time undergraduate student and have completed at least one semester at FHSU or another post-secondary institution prior to the application year. **Graduate students and students graduating in December are not eligible.** Additionally, applicants must maintain a 2.5 cumulative GPA or higher and participate in a minimum of 10 events throughout the year.

Applications will be accepted online through March 7<sup>th</sup> at [www.fhsu.edu/vip](http://www.fhsu.edu/vip). The interview schedule fills up quickly, so students should apply early for the best selection of times.

## Black History Month: #44: Barack Obama

Barack Hussien Obama II is an American attorney and politician and first Black American to serve as President of the United States from 2009-2017. Easily the coolest President in the history of the United States, Obama during his two terms implemented policy and legislation to benefit the nation. Harvard Graduate, Obama knew the value of a good education and that reflected during his time in office. Before his Presidential career he worked in corporate research and at the New York Public Interest Research Group (NYPIRG) in New York City, as a community organizer with a church-based group, the Developing Communities Project in Chicago and with low-income residents in Chicago's Roseland community and the

Altgeld Gardens public housing development on the city's largely black South Side. In 1996, Obama was elected as an Illinois State Senator. From 2007-2008 Obama ran a historic Presidential campaign on HOPE and in November 2008 he won the election with historic voter turnout greatly due to the direct and indirect actions of young voters. The former president can be found making speeches and on the Democratic campaign. We cannot wait to see what else he has in store for his post-presidential career.
