Memorial Union Space Reservation Change

The Fort Hays State University Memorial Union is changing the process for reserving Union spaces effective March 18th, 2019. The new process will allow campus departments, student organizations, and off-campus entities to make one-time and reoccurring reservations through July 31st 2020 on a first come, first served basis. For the best chance at the perfect space for your meeting, conference, fundraiser, student activity, banquet or workshop contact the Memorial Union Administrative Office at 785-628-5305, email fhsuunion@fhsu.edu, or fill out a room request form on TigerLink <https://tigerlink.fhsu.edu/submitter/form/start/183935> on March 18th or after!

Women's History Month Fact: Women's Suffrage

The 19th Amendment to the United States constitution granted women the right to vote after nearly a century of protest. Led by women's rights activists such as Elizabeth Cady Stanton, Lucretia Mott, Sojourner Truth, and Susan B. Anthony amongst others, these women rallied and lobbied ferociously for the right to vote. One of the largest and influential protests was held on the eve of the inauguration of President Woodrow Wilson on March 3, 1913. During this presentation thousands of suffragists marched down Pennsylvania Ave. in Washington, D.C. and "march[ed] in a spirit of protest against the present political organization of society, from which women are excluded". Although it took another 7 years before the amendment was ratified, women were finally granted the right to vote on August 18, 1920. On March 3, 2013 organized by Delta Sigma Theta Sorority, Inc. in honor of the centennial of the 1913 parade over 5,000 supporters descended back on Washington, D.C. to re-create the march. In a time where voting is so critical and people have concerns that their votes somehow do not count, to remind everyone that the right to vote should be celebrated and not taken lightly.

Email Policy

In December, 2018, FHSU Cabinet approved an updated email policy. The updated policy can be viewed at <https://www.fhsu.edu/policies/info-access/index>

The main purpose behind this change was to clarify the language about forwarding email. The policy now reads: “Faculty and staff are not to automatically forward their official @fhsu.edu e-mail to another vendor for themselves including their @mail.fhsu.edu Google account. Unauthorized automatic forwards will be removed by Technology Services.” We will start enforcing this portion of the policy on **Friday, March 8, 2019**. Tech Services will remove the “forwarding” setting on any account forwarded to another email system. We will also remove any mail rules that redirect email to another email system.

Security and legal requirements are the primary reasons for keeping all FHSU email within one mail system. We can’t ensure that data are being protected in accordance with FERPA, HIPAA, and other regulations when internal communications are being forwarded outside of FHSU’s control. We’re also required to report privacy breaches to our students, which is impossible to do when our internal communications are funneled to outside platforms. We’ve invested in additional security features and protection for our Outlook email system, which is why we aren’t allowing Outlook email to be forwarded to FHSU Gmail. Additionally, keeping all FHSU email within Outlook also gives us the ability to respond to litigation holds and Kansas Open Records Act requests.

Please email magriffin2@fhsu.edu if you have any questions about the email policy. TigerTech can assist you if you have any trouble accessing or using your FHSU Outlook email account.
