Dear friend

We were so happy to receive the invitation and we will be present. Venter Carver was our next door neighbor's son and lived by us until he went to college.

I sent the notice to the Peoples State Bank at Luray and urged them to send any names to you who wished to go. Have also known Viola Ames since she was a child and we are very proud of these two, fine people. We left Luray in 1953 so thought it best to get friends over there to send the names. Thank you

Sincerely,

Marcel E. Parker
