#### Parking Notice

On Monday afternoon, (8/12/19), the University Police Department will begin to barricade areas directly affected by students moving into the residence halls. UPD begins this process on Monday due to the time involved with identifying the owner of non-registered vehicles, and giving motorists time to move their vehicles. Once the barricades are up, UPD will begin contacting the owners of vehicles to ask them to move their vehicles. Employees will be allowed to remain parked in these areas until the end of the workday on Monday. Beginning Tuesday, no one will be allowed to park within the barricaded areas.

Beginning Monday, the following areas will be barricaded, Lot G behind McMIndes Hall, McMIndes Circle in front of McMIndes Hall, Lot F2 on the east side of McMIndes Circle, the circle drive in front of Custer Hall, the west side of Custer

Drive between Dwight Drive and Agnew Lane, the east side of Lyman Drive between Dwight Drive and Agnew Lane and the portion of Lot I directly to the south of Victor E. Village.

On Tuesday (8/13/19), the University Police Department will continue contacting owners of vehicles that remain in the barricaded areas to have them move. These areas will remain barricaded until Thursday afternoon when the move-in has been completed.

If you work in the Residential Life area and park there Monday morning, you will be allowed to wait until the end of the workday before being required to move your vehicle. If contacted by UPD about moving your vehicle, advise them that you will do so at that time. All others parking in the Residential life area will be asked to move their vehicle as soon as possible. Keep in mind that the area will be barricaded and parking may not be available Monday afternoon through Thursday afternoon.

The Residential Life area of campus will be heavily congested with traffic on Wednesday and Thursday as the students move in. If you work in the Residential Life Area and arrive for work between 7:30 a.m. and noon on these days, expect to park farther away than normal and walk or take the University Shuttle.

The University Police Department wishes to express their sincere thanks to the University community in their cooperation with this matter. UPD would also like to remind you that parking permits may be obtained online ([www.fhsu.edu/police](http://www.fhsu.edu/police)) and picked up the following week or mailed through the campus mail system to avoid the traffic congestion in this area at these times.

Please contact the University Police Department at 628-5304 if you have questions.

## Public Safety Advisory: Surviving an Active Shooter Event

In light of recent mass active shooter tragedies in El Paso, Texas and Dayton, Ohio, I'm sending out a reminder of Fort Hays State University "[Active Shooter Safety Guidelines](#)". Since most incidents are over within minutes, students, faculty, and staff must be prepared to react to the situation until first responders arrive. In an active shooter situation, you should quickly determine the most reasonable way to protect your own life. You should:

1. **Run:** If there is an accessible escape path, attempt to evacuate the premises and go to a place of safety and call 911.
2. **Hide:** If evacuation is not possible, find a place to hide where the active shooter is less likely to find you.
3. **Fight:** As a last resort, and only when your life is in imminent danger, attempt to disrupt and/or incapacitate the active shooter.
4. **Resources:** Refer below for more detailed information on surviving an active shooter event.
