Dear Fort Hays State Parents:

As the parents of a candidate for the Bachelor's degree this Spring, we offer our hearty congratulations to you. It is very rare that anyone has the determination to work and finish college without a great deal of support and inspiration from home. Our society owes you a debt for being the kind of parents you have been and are.

Because of this, we feel you may be interested in a rather unique graduation present for your young graduate--an annual or life membership in the Fort Hays Alumni Association. We are most anxious to retain close ties with all who have studied at our fine college. The Alumni Association provides the future college contact for all who have studied here.

We are planning a formal presentation of all memberships purchased by parents as graduation presents. We will present them individually to your son or daughter during the All-Graduate Luncheon on Commencement Day. We believe this will be a very impressive ceremony, and one your child will long remember.

Every Life Member receives a lifetime subscription of the bi-monthly Alumni News, and other information which keeps the alumnus up-to-date on the doings of his classmates and his college. More importantly, it helps retain the feeling of close contact and the security that comes from being an Active Alumnus. The Annual Membership will purchase all the above items on a one year basis.

If this strikes you as being worthwhile, please fill out the bottom portion of this letter and return in the franked envelope. You will have performed a definite service to your child.

Sincerely,

Harold A. Stones  
Executive Secretary

Congratulations to you on your candidacy for a master's degree. Just as you have increased your potential worth in the academic world, you have also increased your worth as a citizen. As the principal product of your alma mater and the only product that she can use as a claim to fame, you are highly important.

I am sure that you share with me and the Alumni Board considerable pride in the material and academic growth of Fort Hays State. Within the next few years even greater changes will occur, and it will be interesting to watch this growth and these changes.

Once we have caught that spirit of learning--the spirit of our alma mater--we do not lose it for as long as we live, regardless of the interferences of the ordinary mechanics of living. As this spirit of shared purpose permeates our lives, alumni become devoted servants of educational institutions.

Basing their endeavors on this premise, alma maters call upon their alumni for responsible support of all kinds with confidence that these responsibilities will be met.

Again may I congratulate you on behalf of the alumni of Fort Hays State. As a partner in this new undertaking, we will anticipate your active participation for as long as you live. Please fill in the enclosed Graduate Class Card and return it in the enclosed postage paid envelope. We would appreciate being notified of any address changes and occupations that you may have.

Sincerely yours,

Harold A. Stones

Dear Graduate:

Congratulations are in order to you for your successful accomplishments. Your past investments of work, study and temporary curtailment of financial gain are now beginning to pay dividends and should continue to do so.

Many of you will now be entering a professional or occupational life; others will continue in graduate or professional schools. To those of you who have used the Placement Office facilities in obtaining appointments to positions, I would like to say it has been a pleasure to work with you. If you have any ideas on how we might improve this service, please feel free to let us hear them. The services of the Placement Office are open to you as long as you live. We shall be happy to work with you any time in the future that you are looking for advancement. Our interest in you definitely continues on and beyond your date of graduation and we would express the desire that the reverse might also be true.

In order to be an active member of the Fort Hays Alumni Association, annual dues of \$6.00 or \$50.00 life membership may be paid. For this money, you will receive the Alumni News which will keep you in touch with the happenings of student friends, faculty members, and the college in general. You will also receive many other informational items as well as voting privileges. Most of all, however, you will be demonstrating your continuing interest in your alma mater. This should be a source of pride to you.

Will you please fill in the enclosed Senior Class Card and return it in the enclosed postage paid envelope. We would appreciate being notified of any address changes that you may have.

Fort Hays State has offered you the best she has. The goal of the Alumni Association is to see a constant improvement of these offerings. We feel sure that, as an educated citizen you will see fit to help us.

Sincerely yours,

Harold A. Stones  
Executive Secretary

## P. S. FROM THE ENDOWMENT ASSOCIATION

The Senior Class usually leaves a class gift received from voluntary contributions. This year there was a proposal to create a "century fund", but no vote was taken. Should you desire to make a contribution for the Class of 1967, you may do so when you pick up your ticket at the Alumni Office. The class gift (check) will be presented to President Cunningham at the All-Graduate Luncheon.
