Mr. Richard L. Osborne  
Campus

Dear Marshall Osborne:

I would like to take this opportunity to thank you and the other marshalls for your co-operation in our Commencement and Baccalaureate exercises. I am sorry that we were not able to hold our exercises outside.

We will be holding our summer school exercises outside, I hope. I would like to look forward to using the same marshalls again. Next year we will ask two new divisions to send us marshalls.

Again, many thanks.

Sincerely,

John D. Garwood

Dear Ladies of the White Dresses:

Many thanks to you for sweltering in the Coliseum Monday evening. As far as I could see from where I was sitting it appeared to me that we had no disabling accidents or emotional traumatic occurrences during the program. I am happy to know that both of you ladies had on your white dresses so you were not uncomfortable. I noted that quite a number of people were fanning themselves with the Commencement programs. The Commencement programs were not distributed for that purpose, but certainly they are functional in that aspect.

Again, many thanks.

Sincerely,

John D. Garwood

Dear Don:

Just a brief note to thank you and members of Concert Choir for your part in the Baccalaureate and Commencement services. I am sorry that the weather interrupted our plans to be outside on Monday evening. I have never seen a larger crowd in the Coliseum. There may have been larger crowds in the past but I don't know when. It seemed to me we had the absolute maximum number both on the floor and around the sides of the arena.

Again, many thanks, Don.

Sincerely yours,

Dear Pat:

Just a brief note to thank you for your part in the Baccalaureate services. A number of people remarked how well the music sounded last Sunday evening. The night was a beautiful evening to be outside and the singing by the choral groups certainly added to the occasion.

Thanks again. Best personal wishes.

Sincerely yours,

Mr. Lyle Dilley

Dear Lyle:

Just a brief note of thanks to you and the band members for your part in the Baccalaureate and Commencement programs. I hope that the August Commencement and Baccalaureate programs will be able to be held outside. There may have been larger crowds in the Coliseum but I have never seen them. I have never seen so many people in the Coliseum standing and leaning as there were there Monday night.

I am aware that the band operated under less than optimum conditions and I appreciate your willingness and your ability to adapt them to an unfavorable situation. Best personal wishes.

Sincerely yours,

Dear Captain Caton:

Just a brief note this morning to thank you for your part in our Commencement program. I am in hopes that in the future we will have young men who will be receiving a commission in the United States Marine Corps. I thought that this added to our program and the College was most happy to have the commissioning ceremony.

When you are in Hays again, I hope that you will drop by our Office. Best personal wishes.

Pastor Floyd B. Littlepage  
First Southern Baptist Church

Hays, Kansas

Dear Pastor Littlepage:

Just a brief note this afternoon to thank you for your willingness to take part in our Baccalaureate Services. We had a beautiful evening for our services and I think that everyone enjoyed the Baccalaureate. The College attempts to alternate among the pastors in Hays for our Baccalaureate programs. We hold two Baccalaureate programs a year so this involves six people.

Again, let me say many thanks for your part in our program.

Sincerely yours,

Pastor Orlo Choguill  
Presbyterian Church

Hays, Kansas

Dear Pastor Choguill:

I want to thank you again for your part in our Baccalaureate service. Several of the members of your congregation said that you preached a wonderful sermon in the morning and they were also very appreciative of your sermon that evening.

I do not think we will find many evenings when we had better weather conditions than we did Sunday evening, June 28.

Once again, let me say for the College that we were very appreciative of your sermon and I feel that our graduates benefited greatly from your comments. Best personal wishes.

Sincerely yours,
