In an effort to be more inclusive and accessible to everyone, the Office of Scholarship and Sponsored Projects has partnered with TILT to create an online Grant Writing Workshop! This course combines information from all of our previous face to face workshops and offers them in one easy access location. The content is designed for everyone no matter your level of experience and is laid out in an easy to navigate format. You may use the course as a refresher or just in time training on a certain topic area as you work on your grant proposal, or you can choose to complete the whole course and earn a certificate at the end. You will learn how to find funding, develop your proposal and budget, and hear tips from your fellow FHSU colleagues who have been successful in writing grants! The course is available starting September 1st through December 15th. We can't wait for you to get started!
