The George F. Sternberg Exhibition is now on display in the Special Exhibits Gallery on the main level of Forsyth Library. George F. STEPS to Success Wellness Program

“Did you know that all increased measurements of weight, waist circumference, body mass index, and waist hip ratio all demonstrate elevations in health risk? An increase in waist circumference alone can be a marker for increased disease risk even in individuals of normal weight (National Heart Lung and Blood Institute, n.d.). If you haven't been over to see and use the Fort Hays State Wellness Center, this is a great opportunity to set a new goal! Fort Hays State Wellness Center hours: Monday – Thursday: 6:30am – 10pm, Friday: 6:30am- 8 pm, and Weekends: 10am-5:00pm. Find more information here at the following link.

<https://www.fhsu.edu/hhp/tigerwellness/Hours/index>”

“Get up & Go! Are you aware of how much physical activity can impact your life? Birdee et al., (2013) discussed that physical activity not only improves mental health, decreases stress, anxiety, and body mass index, it also promotes better sleep hygiene, and reduces the effects of chronic disease. Sign-up through the FHSU Wellness Center to find a walking group and join other faculty and staff for a lunch hour walk. Groups can meet at the square anytime from noon-2, Monday-Friday throughout duration of Wellness Program”

Changes To Directory Information

On behalf of the Campus Directory Work Group, I would like to announce several changes that will be taking place with University directories in the next couple of weeks.

1. A paper copy of the Campus Directory will be distributed to your campus mailbox this week. We have ordered a few extra directories that will be available upon request (at no cost) from TigerTech (Tomanek Hall 127). Please call 3478 or email directory@fhsu.edu if you are interested in additional copies and they will be hand delivered to you.

Every effort has been made to provide the most up-to-date information in this directory, using data collected through August 1, 2019. However, change frequently happens throughout the University and organizational structure, titles, personnel, telephone numbers, and office locations may have changed since the date of publication. Please email all corrections to directory@fhsu.edu. All University employees have the ability to update their own contact information in WorkDay and are encouraged to do so when changes arise.

2. The current online directory on the university webpage will be replaced with a new and different type of A-Z Directory maintained by University Relations and Marketing. This directory is organized alphabetically by budget unit and is linked to departmental webpages. Please email all corrections to directory@fhsu.edu.

3. The placement of a student, faculty, and staff online directory will be available in TigerTracks and Tiger Central that will be password protected. This means anyone with a TigerNetID account can access the directory but it will no longer be publicly available under the "Directory" tab on the University's initial webpage.

These are changes that will assist faculty and staff in accessing information promptly to provide excellent customer service to all of our constituents. In addition, with this information unavailable for external clients, we are hopeful it reduces email spam.

If you are wondering about the Campus Directory Work Group, here is a bit of information. The Work Group was created by President Mason to review the need for a campus directory that can be efficiently accessed electronically. In the interim, a paper copy of the directory has been created to fill that void until a technological replacement can be created. Other members of the Group include: Kelsey Stremel, Kurt Beyers, Mark Griffin, Kevin Sauer, Michelle Schlyer, Shannon Lindsey, Travis Taggart, Tina Schiel, Tawnya Rohr, Chris Gist and Heather Kaiser. The group will continue to attempt to find a solution to this need.

I would personally like to thank Dr. Mason for her commitment to staff who are on the frontlines answering questions and inquiries. Also, thanks to Michelle Schlyer, Tina Schiel, Tawnya Rohr and Rebecca Luedders for your dedication to creating the Campus Directory 2019 document.

If you have any questions, please feel free to contact me or any of the Work Group members.

Thank you.
Michelle Schlyer
