The Movie Committee presents the Italian film classic
"The Roof". To be shown on November 9th at 8:00 p.m. in the
Gold Room of the Memorial Union.

Director Vittorio de Sica has documented one of Cesare
Zavattini's poetic stories of life among the poor in postwar
Italy. In THE ROOF they have worked simply, compassionately
and with dignity, and the result is a testament to what a
young couple can forge when fired by hope and belief in the
future.

Dear Faculty Member:

The Union Movie Committee wishes to remind you of the classic and foreign film series for the remainder of the year. We would also appreciate an occasional reminder to your students. We feel this film series is an important asset to our academic program. Student interest in this series is beginning to fail. By encouraging student attendance and by working on a new publicity campaign, we hope to increase student participation. It would also be a big boost to our series to see more faculty members at our movies.

We will soon be selecting our classic series for next semester. Any faculty member who is interested in selecting these movies is urged to do so by November 20th. Please contact Miss Nancy Geist or me in the Union Program Center if you are interested in helping with the selection.

Thank you for your cooperation.

Sincerely,

Bob Hayden
