Why This Program

This is the College's first major fund raising program. It may well be its last one. Very special factors brought it on.

It was necessitated by the need for a Student Union Building and the absence of provisions for funds for this building from tax sources.

We have had to take our plea to the people. They are proving most generous.

Under the guidance of the Fort Hays Kansas State College Endowment Association, the present program is being conducted by the alumni and friends of the College who are engaged in business, agriculture, industry, and the professions.

Your gift will be tax deductible to the full extent of the law. It may be received here in a single amount or in three installments during 1954, 1955, and 1956.

It will be greatly appreciated!
