Date: May 7, 1968

From: John D. Garwood, Dean of the Faculty

Subject:

I have conferred with the Faculty Senate as well as President Cunningham about the appropriate dress for the graduates in nursing. The Senate recommends that the graduates dress in the dark shoes and dress as the other graduates do. The nurses will come up to receive their diplomas but they will come in their dark robes. Thank you.

To: Miss Leora Stroup Date: April 15, 1968
From: John D. Garwood, Dean of the Faculty Subject: _____

You sent me a communication dealing with the Commencement arrangements for the nursing students. In the past, as you know, the graduates have worn the white uniforms to come to the stage for their nursing diploma. After returning to their chairs, they have put the black robes on again. I think that the appearance of these young ladies in their white uniforms is especially striking and I have heard many people comment favorably upon it. For this reason, as long as we are giving the nursing diploma the night of Commencement, I would like to see our graduating nurses go to the platform in their white uniforms.
