### Angel Tree + Student Organization Contest

**For the sixth year, we are proud to sponsor an Angel Tree**, which will be located on the feature wall on the first floor of the Memorial Union beginning tomorrow, November 16. Those who are interested are invited to pick up a blue or pink angel from the tree and purchase the item(s) listed for a child in need in Ellis County. This program is coordinated by Teaming Up for Tots. Gifts may be dropped off at the Student Engagement Office (former CSI Office) on the lower level of the Memorial Union as well other locations listed on the back of each angel. **Please return all gifts by December 13.**

**Also, we are bringing back the Student Organization contest.** To participate, student organizations are asked to adopt an angel and return the gift to the Student Engagement Office by the deadline. Staff in the Student Engagement Office have kindly agreed to track those entries. The organization that adopts the most angels and returns their gifts by the deadline will receive a pizza party for up to 30 paid for by Tigers4Ever. Time/date/details will be agreed upon by the winning organization and Tigers4Ever. In this case, gifts must be returned to the Office of Student Engagement and must be checked in with a staff member to qualify for the contest. So...pool your resources, get creative and adopt some angels to make sure local area children have a great holiday season.

Please contact our advisor, Charlene Nichols, with any questions you may have. Thanks for your continued support of Tigers4Ever. Best wishes to everyone on the final few weeks of the fall semester!

Most recently, Ellen's Investigative Team worked with ProPublica and Reveal on the Emmy-nominated "Case Cleared: How Rape Goes Unpunished in America." ### **How Are You? - Conversation on Mental Health with Annalise Sinclair**

Wednesday, November 20; 6:00pm  
Memorial Union, Fort Hays Ballroom

Every day, we are asked "how are you?" by strangers and friends, alike. It is easy to mindlessly go through this simple exchange of pleasantries, but what happens when we are not "fine" or "good"? Fear of rejection from loved ones or the shame of not being able to handle things on our own can cause us to bottle up our emotions - depression, anxiety, pain - to

keep them hidden from the people that care about us most. For many, this can leave us feeling isolated and alone in our time of need. By exploring the ways that authenticity and personal wellness connect, Annalise opens the door for honest conversations about how we support our friends during times of crisis.

This event free to all and is sponsored by the Panhellenic Council, Interfraternity Council, and Student Engagement. Questions? Contact Jacob Ternes at [jaternes@fhsu.edu](mailto:jaternes@fhsu.edu)

All ages are welcome to volunteer for toy production, but children 12 and under must be accompanied by an adult. Jobs include sanding, running parts from station to station, putting on wheels, attaching parts, finishing and, for those who have experience, running some machine operations.

If you cannot volunteer the entire time – please come and go as it fits into your schedule. The event will be held in the Center for Applied Technology (wood shop). No need to RSVP – just show up the day of the event.
