ANNOUNCEMENTS

Be the Match Volunteers

The Student Health Center will be helping to sponsor a **Be the Match** bone marrow donor drive on **February 6, 2020** at the FHSU basketball games. We will need many volunteers to help this event run smoothly.

If you are interested in helping, you can call Student Health at 785-628-4293 or email Amanda at armccord@fhsu.edu. This will be a great way to get service hours for organizations while helping the community.

Calendar: Upcoming Professional Development Opportunities

Check out upcoming professional development opportunities! The TILT TigerLearn event calendar is your go-to for professional development at FHSU! Check it out here: <http://tigerlearn.fhsu.edu/events/>.

To provide faculty and staff with one easy place to see all professional development at FHSU, we're happy to include your event on the TigerLearn calendar. We can include links to your registration site, contact persons for questions, etc. Just contact TILT-FacultyDev@fhsu.edu, and we'll add your event right away!

Allied Health Department Seeks Obstetrical Models for Student Training

The Allied Health Ultrasound program is seeking **expecting women** from campus and the community willing to serve as a scan model for training students. Each ultrasound scan is supervised by a certified sonographer that works with the students to learn the proper mechanics of ultrasound scanning. Each scan will take about one hour. There is no charge. There is no official report reading from a physician generated. Requirements to volunteer, is that the expecting mother is between 20 and 40 weeks at their scheduled scan time, the mother cannot be considered to be in a high-risk pregnancy, and must have physician permission. Ultrasound appointments will be set up for Tuesday early afternoons or Wednesday mornings. Appointment times will begin at the end of January and run through the first week of May.

For those interested or if you know someone who might be interested, please contact Jennifer Wagner at jrwagner@fhsu.edu for more information.

University Photo Open Studio Dates

University Relations and Marketing will be offering open studio times for those faculty and staff who have not yet had a university photo taken or need an updated picture.

Where: Hammond Hall 114

Public Computers at Forsyth Library Now Require TigerNetID or Guest Login

Starting January 7, 2020, all public computers in Forsyth Library will require a login. The computers will be designated as either a TigerNetID computer (teal) or a Guest computer (orange) with color coded signs. This change has been implemented to increase security, provide a consistent user experience across computer labs on campus, and make it easier to print and save materials.

TigerNetID Computers - To use these computers, you must have an activated TigerNetID. TigerNetID computers are located on the main level, computer lab, and upper level.

Guest Computers - To use these computers, you must visit the Learning Commons Desk to retrieve a guest login (a TigerNetID will not work on these computers). Two guest computers are located on the main level, one is located on the upper level, and the microfilm computer on the lower level is also designated as a guest computer.

Learn More: Visit the [Public Computer Login](#) information page.

Kansas Undergraduate Research Day at the Capitol

We are now accepting 250-word abstracts for the March 4th Kansas Undergraduate Research Day at the Capitol!

We are pleased to announce the launch of the 2020 Undergraduate Research Day at the Capitol competition. Click on the [link](#) to view more information.

- Application Deadline: January 31, 2020
- Discipline/Subject Area: Any

The Kansas Undergraduate Research Day at the Capitol event is an opportunity for students to present their research experiences with state lawmakers in Topeka scheduled for Wednesday, March 4, 2020. This event will showcase the work of up to 40 Kansas undergraduate students representing each of the state's eight public 4-year institutions. The purpose of this event is to demonstrate the unique opportunities undergraduate students have to participate with faculty members in research at all state institutions. This event will also emphasize higher education's role in developing educated citizens and preparing a workforce with the necessary skills to further the economic growth of the state.

Participants should be able to convey their experience and enthusiasm to state representatives, senators, and other state officials in a poster session. Projects from a broad range of disciplines are encouraged - especially posters that relate to the state of Kansas and issues important to the state legislature (e.g. education, health, agriculture, aviation, biotechnology, energy, transportation, manufacturing, environment, and social services). Up to 5 projects will be selected from each institution.

This event will not be an adjudicated poster competition with prizes. All participants will be recognized equally for the honor of participating in this event.

Helpful resources for creating posters may be found at <http://www.fhsu.edu/academic/gradschl/ure/URE-Poster-Tips/>.
