   d. Brief discussion of how violations of the policy will be handled; similar to any other policy violation (HR for faculty, Student Affairs for students)

3. Dan Kulmala – Living and working conditions in China
   a. Provided background on the poor working conditions of our approximately 25 international faculty working in China (e.g., poor air quality, living conditions, short contracts, poor salary, and number of students per class).
   b. Departments seem to handle these issues well, but issues arise mainly at the upper administration level at FHSU and Chinese partnership universities
   c. Carl Miller has already spoken to President Tompkins about some of the issues brought up by Dan Kulmala.
   d. Our international partnership programs are now under the umbrella of Finance (Mike Barnett); plan is for them to return to Academic Affairs soon.
   e. Decision to send this to University Affairs subcommittee for review

4. Patty Griffin and Jackie Ruder – Work day training (ADDED TO AGENDA)
   a. Provided updates on WorkDay training
b. There will be a staggered rollout of functions for faculty, staff, and students
c. Discussed additional resources available to faculty for learning WorkDay functions (FHSU WorkDay website, potential for departmental visits)

      1. Suggested addition of “full-time faculty” to two separate lines in bylaws for clarification
   ii. Faculty Senate will discuss this item at the April meeting
   iii. Bylaw changes must be voted on by entire university

4. Student Affairs—Judith Ofcarcik
   i. Update on “student success” week
   ii. Some discussion of having a paragraph in a syllabus limiting “surprise” assignments during student success week; reconsideration of doing this though because very few professors do this

5. University Affairs—Amy Schmierbach
   i. Updates on what their committee discussed
      1. International faculty are included in our numbers, currently

      i. This was sent to subcommittee per previous discussion during the meeting
      ii. Carl will update Faculty Senate on his discussions with President Tompkins during the April meeting

V. New Business (4:58 p.m.)
   1. Composition of the Presidential Search Committee
      i. KBOR will probably initiate search soon, and faculty would like to suggest some changes to future search committee (e.g., fewer members, larger proportion of faculty, and the ability to choose which faculty serve on the committee)
      ii. President Tompkins suggested we contact KBOR with our concerns regarding the search process

   2. Review of FHSU’s ‘Journey to Distinction’ Strategic Plan and Mission Statement
      i. Background: On May 2016 faculty senate meeting this was first rejected then approved in an emergency session. Mission Statement was modified between the May meeting and the emergency session, and the document was supported by vote without notice of the Mission Statement changes
      ii. Helen Miles moved to have Strategic Planning subcommittee examine the development and status of “journey to distinction,” including mission statement, then report findings and recommendations to faculty senate.
      iii. Clarification that, pending the subcommittee’s decisions, we could reconsider our support of the plan and then rescind the prior motion.
      iv. Discussion by Tony Gabel of whether it is necessary to do this at all since we “supported” it rather than “approved” it
      v. Jeni McRay moved to rescind support for the resolution from May meeting, Tony Gabel seconded.
      vi. Discussion of how unusual the process for approval was in May 2016 and special session meeting, and the opinion that the current document is not a strategic plan in the traditional sense
      vii. A 2/3 vote was needed in order to rescind our support for the document
      viii. MOTION PASSED unanimously

VI. Adjournment (5:24 p.m.)
   1. Meeting adjourned at 5:24 p.m.
