10. New Business

- a. I would like to thank everyone for the work you have done in Faculty Senate. The work you do makes the position of president an easy one. The most valuable work of the Faculty Senate takes place within Standing Committees. I truly appreciate all that you do. I would also like to thank Provost Arensdorf for her continued participation within the Faculty Senate. I do feel that Shared Governance is happening at FHSU. Next year we will continue to support Shared Governance through our involvement with administration and attentiveness to faculty. Finally, a big thanks to Fred Britten and Whitney Whitaker for their support and expertise.

Most Respectfully, Kevin
