Dear Col. Kryschtal:

Thank you for your participation in the Veterans Memorial Dedication during Homecoming weekend at Fort Hays State University. It was a pleasure to finally meet you. Many guests commented that your remarks as the featured speaker were very inspirational. A copy of the program from the ceremony is enclosed.

I believe the dedication of the memorial was a befitting way to reflect upon the sacrifices of the veterans who so bravely fought and gave their lives for our freedom. The memorial will serve as a constant reminder of this to all who pass by.

We're glad you were able to join us in Hays for this special event. It's unfortunate that the forecasted high winds cut short your trip, as we would have liked to show you around our campus and the city of Hays. I hope you enjoyed the brief visit and the dedication ceremony. We appreciate your helping make the program very meaningful with your remarks.

Sincerely yours,
