## Forty Days at the Fort Change

While we have been trying to plan for our fall semester as usual, things have been changing and we are adapting as they do. For the safety of our students, faculty and staff we are moving the Forty Days at the Fort experience to be virtual. Given this change, we are extending the deadline to June 19<sup>th</sup> to create your event in Tigerlink to accommodate for planning.

To be a part of the Forty Days at the Fort you must create your event in Tigerlink before June 19, 2020. (There is not a form to complete.) If you have already created your event, please make changes to it in Tigerlink to comply with these changes in the Forty Days at the Fort experience.

This will inevitably come with some questions and concerns; however we are confident that our Tiger community will be flexible and develop some great opportunities for our students in the fall. We appreciate your cooperation and understanding as we navigate these unforeseen times.

Please send questions to [tbwolbert@fhsu.edu](mailto:tbwolbert@fhsu.edu).
