Latest Tiger Food Exchange Location/Hours Change

The Tiger Food Exchange has moved back to Forsyth Library as of Thursday, July 9.

Our new hours are from 10am to 1pm Tuesday through Thursday. Currently, these hours are effective through August 17.

As a reminder to be as safe as possible on campus FHSU has adopted the following policy regarding face coverings:

- **General Rule:** When present on University property, all students, employees and visitors must wear face coverings over their mouths and noses when in common areas of a building (including hallways, elevators, public spaces, classrooms, conference rooms, and other common areas), and when within six (6) feet of another individual anywhere on University property. If you are alone in your office or personal workspace and are able to socially distance, or if you are outside and are able to socially distance, you can remove your face covering.
- **Exceptions:** Students in their residence hall rooms, and individuals while they are participating in activities in which a face covering cannot be worn, or would prohibit respiratory function (like eating, drinking, or playing sports). Additionally, employees and students with a recognized disability that prevents them from wearing a face covering can contact the Human Resources office (if an employee) or Student Accessibility Services (if a student) to discuss possible accommodations and the appropriate documentation process.
- **Basic Ground Rules:** We ask that students, employees and visitors provide their own face coverings, but the University will have a supply available to provide to those that do not have one. Individual supervisors and faculty members should offer University provided face coverings to those that do not have one, and make an initial effort at educating and holding employees and students accountable, within their respective areas.
- **Enforcement and Additional Guidance:** Complaints concerning violations of this policy by employees or visitors should be reported to Human Resources, and complaints concerning violations of this policy by students should be reported to Student Affairs. Individuals may utilize the [Coronavirus \(COVID-19\) Concern Reporting form](#) for this purpose. Additional guidance and best practices information concerning face coverings can be found on the [CDC website](#).
