## ACADEMIC DRESS

Academic dress of robe, hood and cap has an ecclesiastical origin since learning was largely confined to the Church when universities were first founded. It seems likely that gowns were necessary for warmth in the unheated buildings used by medieval scholars. Hoods were used to cover the tonsured head until the hoods were superseded for that purpose by the skull cap which was later displaced by the headdress similar to that used now.

The cap, of black serge or broadcloth, is worn for all degrees, but the doctorate is entitled to a gold tassel. The cap of the doctor may be of velvet.

Gowns are generally black. The bachelor's gown is characterized by long pointed sleeves. The master's gown has closed sleeves, square at the end, the arm coming through a slit at the elbow. The doctor's gown is an elaborate costume marked by velvet panels down the front and around the neck as well as by three bars of the same material on the bell shaped sleeves. It is cut much fuller than the other gowns and unlike them may be ornamental in color.

Most hoods are black. Of all the components of the costume, the hood bears the heaviest symbolic burden. Hoods vary in shape, size and length. The level of the degree is shown by the size of the hood, the width of the velvet trimming, and in case of the doctor's, by the shape. The master's and the doctor's hoods are three and one-half feet and four feet long respectively.

Each hood possesses a silk, satin or velvet border upon the outside, three to five inches wide, representing the field of learning from which the wearer graduated. The trimming extends all around the hood on the exposed edge. To make a more comfortable fit, it is allowed to narrow on the neck band. Some examples of colors used are as follows:

Agriculture .....	Maize	Music .....	Pink
Arts, Letters, Humanities .....	White	Nursing .....	Apricot
Commerce, Accountancy, and Business .....	Drab	Oratory (Speech) .....	Silver Gray
Economics .....	Copper	Philosophy .....	Dark Blue
Education .....	Light Blue	Physical Education .....	Sage Green
Fine Arts .....	Brown	Science .....	Golden Yellow
Journalism .....	Crimson	Social Science .....	Cream
Library Science .....	Lemon	Theology .....	Scarlet

Each hood is lined with silk in colors representative of the university granting the degree. Some examples of colors used in the lining of hoods are as follows:

School	Lining	Chevron
University of Arkansas	Cardinal	White
University of Colorado	Gold	Gray
University of Northern Colorado	Gold	Purple
Colorado State University	Yellow	Green
Columbia University	Blue	White
University of Denver	Crimson	Gold

## *HONORS AT GRADUATION*

There are three levels of academic honors at graduation: cum laude, magna cum laude, and summa cum laude.

- Cum Laude: Achievement of a cumulative grade point of 3.4 to 3.59 and 3.4 to 3.59 while in attendance at Fort Hays State University.
- Magna Cum Laude: Achievement of a cumulative grade point of 3.6 to 3.79 and 3.6 to 3.79 while in attendance at Fort Hays State University.
- Summa Cum Laude: Achievement of a cumulative grade point of 3.8 or above and 3.8 or above while in attendance at Fort Hays State University.

Each student graduating with academic recognition must have attended Fort Hays State University for one of the last two years, and at least 62 hours must be earned in an institution offering regular upper division credit.

While honors will be listed in the commencement program for those who may reasonably anticipate honors, the listing of honors on the program is not a guarantee of receiving honors. The honor awarded will be noted on the student's diploma and transcript.

## *COLLEGE ANTHEM*

On the plains of Western Kansas  
Stands a school we all love well.  
'Twas built by the toil of our fathers;  
To its glory our voices swell.

Chorus:  
Hail to old Fort Hays State!  
Let your voices ring.  
Praise for the Black and Gold  
We will ever sing.  
Long may our valor last  
Through the future days,  
Hon'ring and praising  
Dear Fort Hays.

In the years that lie before us  
We foresee our land's many needs.  
Through the efforts of new generations,  
We'll go on to more noble deeds.

---

The students whose names are listed herein were considered candidates for the degrees indicated when the program was printed. This is not an official degree list. The appropriate diplomas will be issued to candidates who successfully completed all requirements by the end of spring term.

## *CHARGE TO THE GRADUATES*

*Commencement, May 19, 1978*

Today you become a member of a select group of men and women numbering in the thousands — graduates of Fort Hays State. Remember her kindly, for she gave you several years of her very best.

The commencement exercise does not mean a severance of your tie to her or her tie to you. Like a good mother, her love and concern will always be with you, ready to help you in any way that she can. Commencement does mean the beginning of a lifetime association with your University and not only will she stand with you, but she also looks to you as her torchbearer and the promoter of her spirit.

Although we are proud of the beauty of our physical campus, its buildings, grounds and facilities, we take even more pride in our faculty, staff and students. Fort Hays State is much more than is discernible at any one time. Your University consists of all those who come into her environment, are touched by her concern, her influence and those who carry forward her spirit. Wherever you go and whatever you achieve, there is Fort Hays State at work. If the light of our University continues to shine, it must shine through you and all those who have walked our halls, sat in our classrooms and were a part of our total campus community.

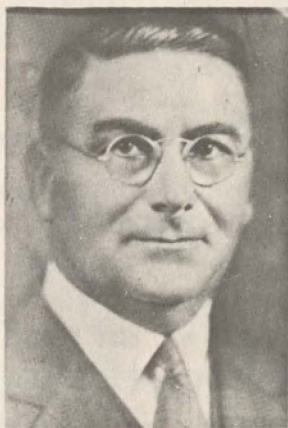

With a great deal of confidence, we welcome you into this fellowship. We are not here to say "goodbye" but rather we say "till we meet again." We do not intend to sever the cord, maybe stretch it a little, but still maintain the connection. You go forth, but not from us. We will always claim you and we hope you feel the same way about us who remain. God go with you and be with you and with all of us.
