Dear Loretta,

Ft. Hays State survived another Homecoming this past weekend. And the Homecoming edition of the newspaper mentioned the Stone Schoolhouse Project and your contributions to it. I'll try to get an extra copy for you.

All systems are go for the workday next Saturday, October 15. I wish to revise my estimate of people. It seems that with busy fall schedules, we will only have about 12 people coming out. If you want to recruit more help that would be fine. In a way, I'm thankful we won't have as many. I don't believe we could employ 50 people on the first workday.

Please inform the people who are providing the drink and dessert of our new estimate plus the number you recruit. Phi Delta Kappa will gladly pay whatever their fee will be.

One other interesting note, Kelly Hull, a rather noted artist in our area, was down to sketch the Plymouth School and will be making 5 by 7 framed paintings available to interested people for 25 dollars.

Thanks again for all your help. Hope to see you Saturday.

Sincerely yours,

Allan
