Flu Shots Available on Campus

Fort Hays State University will have flu shots available on campus beginning September 24th. Students, faculty and staff are encouraged to get vaccinated for the 2020-2021 flu season at one of the seven upcoming Flu Clinic Events.

These events have been organized through a joint initiative between the Human Resources Department, the Department of Nursing and the Student Health Center. The last date, time and location of the event is:

Wed Nov 11th 2:00pm – 5:00pm MU Black & Gold Room

Because of the pandemic, appointments for a flu shot must be scheduled. To schedule your appointment:

- Log into Tiger Tracks
- Select the Online Services tab
- Scroll down to **Student Health** and click *Schedule An Appointment*
- Follow the instructions to schedule your appointment.
- You will receive a confirmation email after you've scheduled the appointment.

Please be sure to complete the consent form, which will appear in a link immediately after you select your time slot.

The flu vaccine is offered at no cost to all FHSU students. However, most insurance plans pay for the vaccine. The Student Health Center may seek reimbursement for the vaccine from insurance plans to offset the significant cost of the vaccines.

University employees should email a photo of the front of their insurance card to healthcenter@fhsu.edu so an insurance claim can be submitted. To receive a text message reminder one hour before your appointment, complete the **Opt-in for Texting** form on the landing page of the patient portal.

Because of the pandemic, it is very important for everyone to receive a flu vaccine this year. If you are unable to attend one of the seven Flu Clinic events on campus, flu shots will be available at certain times in the Student Health Center.

The Centers for Disease Control provides [comprehensive information](#) about the importance of getting a flu vaccine. The [Vaccine Information Statement](#) is also available for review prior to receiving your vaccine.

Light in the Dark Suicide Prevention/Resiliency Training

While the Kelly Center strives to prevent and treat mental and emotional health concerns, we also acknowledge that campus ministries have the ability to impact students who we may never intersect with. For this reason, Kelly Center staff members Jessica Albin and Sadie Spurlock have set aside a special night to equip those involved in campus ministry to tackle one of the most challenging issues we face, suicide. We want to provide FHSU campus ministries with a practical, Christian faith-based training opportunity so you can feel prepared to have these difficult yet essential conversations. Additionally, we will discuss how to promote resilience within your ministry groups, as growing resilience is one of the best protective factors to prevent suicidal thoughts from taking root in the first place. ***Light in the Dark on Thursday, November 12 from 7-8:30pm in the Black and Gold Room of the Memorial Union.*** This event is free of charge and is open to the first 40 attendees. Anyone within the FHSU Community is welcome to attend, and this will be targeted approach to train people of faith. As always, please wear a mask and follow all social distancing requirements.
