Neal Steink

There's a place I'd like to be and it's back at Four Corners
Now in 1968 it ~~was~~ stood for years.

It's a pleasure and a treat to celebrate this day
That's why I want the whole wide world to know.

CHORUS:

We love this dear school down on the corner
It was built of stone.

Because those dear hearts and home steaders
toiled long and hard to build this school.

The doors stood open from Mon. to Friday
That's how the week days go.

In this school house the kids did study and laughed
and played the whole day long.

We feel so welcome each time that we return
that I can see my friends I used to know.

I love this dear school down on the corner
With heavy hearts we close the door.
