FORT HAYS STATE UNIVERSITY

"CONTEMPLATION GARDEN" FOUNDATION OF EDUCATION BRICK PROGRAM

Looking for an unusual, unique and beautiful Christmas gift? Read on.

Recently, an area appropriately named "Contemplation Garden" was added to our campus. In a beautifully shaded location just south of Sheridan Hall were placed two limestone statues of women, along with two benches. Contemplation Garden recognizes the efforts of women who through the years had a dramatic impact on Fort Hays State University.

Credit for this project goes to Dr. Ann McClure of our business faculty. Dr. McClure teamed up with local renowned sculptor "Pete" Felten Jr. of Hays to give the campus an everlasting gift and, in the process, provided an area where individuals and groups could pay tribute to any woman, living or deceased.

With your help, we want to create a beautiful patio of bricks at Contemplation Garden and fund a scholarship program for women. On those bricks will be the names of women loved or respected. You are invited to purchase one or more of the bricks honoring or in memory of the woman or women in your life. You may choose to honor your wife, mother, sister, daughter or any female relative, or you may choose to remember a teacher, an administrator, or a friend. Organizations or groups may also purchase bricks.

Proceeds will be placed in a scholarship fund named for Dr. McClure. Scholarships will be given to women to attend our outstanding university. Remember, too, that your gift is tax deductible.

Won't you join us in creating a lasting memorial to the women of Fort Hays State University and the other women you respected? Just complete and return the form on the back of this flier to name your honorees.

Thank you for helping make this special project a wonderful addition to our campus! And, Happy Holidays!
