Retirement of Micki Armstrong

After many years of service to the Political Science and Sociology departments, online advisor and mentor, Micki Armstrong, has retired. Faculty, staff, and students from both departments gathered at Gella's Diner and Brewing Co. in Hays to eat, share memories, and celebrate Micki's accomplishments at Fort Hays State University.

Micki joined Fort Hays State University in 1998, and as of this year, has spent 23 years with the university teaching, mentoring, and advising students. She has worked meticulously to guide students through Fort Hays State online degree programs and has ensured that students graduate in a timely fashion. Students have praised Micki's expertise and her ability to put them at ease as they work through the advising process. Faculty, staff, and students will certainly miss her go-to advice and understanding of FHSU programs.

In addition to her work with the University, Micki has also long contributed to the Hays community through her counseling, mediation, and corrections work.

We hope everyone will join us in wishing Micki, this Forever Tiger, a wonderful retirement!

Health and Wellness Services to Offer Mental Health First Aid Training

Suicide is the second leading cause of death among young adults and 39% of college students will experience a significant mental health issue. Furthermore, 1 in 5 adults have a diagnosable mental illness (Active Minds).

You can make a difference.

Mental Health First Aid teaches participants how to help adults experiencing a mental health or substance use challenge. Having more informed university students, staff and community members can dramatically help early intervention efforts and get others the help they need when they need it. The evidence behind the program demonstrates that it helps trainees identify, understand and respond to signs of mental illnesses and substance use disorders.

This training will be free for participants, but has a limited class capacity. The training will be held on the FHSU campus from 8am-5pm on Saturday, September 25th, 2021.

To sign up and please email sespurlock@fhsu.edu

Luncheon in FHSU Union Smokey Hills Room; Workshop in FHSU Union Trails Room

Traditional face-to-face networking will continue to aid people as they seek to gather and belong, regardless of their generation or industry. Following a global pandemic, people crave even greater reward during time spent together. The pace of change and technology continues to increase, yet simple "word of mouth" is still greatly powerful and influential. Learning how to put yourself and others at ease while

networking can create both personal and professional success. Ultimately, you want to achieve the most out of your interactions by learning how to effectively connect with others. This workshop begins with the philosophy that all people have unique value to offer others as well as a foundation of skills and successes. Being able to present yourself in an authentic, genuine and engaging manner is the most effective tool for professional networking and building relationships. Utilizing interactive activities, Tammy Wellbrock shares how to create stronger networking skills with practical insights and methods. You will gain a variety of tools and techniques to help you network successfully in any situation.

Tuesday, September 14th; 1pm - 2:30pm

Online via Zoom

Price: \$65 (Hays Chamber & FHSU Alumni discount available)

Often diversity, inclusion, belonging, and equity initiatives seem as if they do not apply to one's personal experience in the workplace. This session will unpack implicit bias and micro-aggressions to help your company innovate faster and further in the competitive marketplace.

Virtual (Zoom)

Price: \$219 (Hays Chamber & FHSU Alumni discount available)

Is it best to spend time utilizing your strengths or is it more productive to work on your weaknesses? Gallup's Strengths theory claims people should spend the majority of their time doing what they do best; using their already existing natural talents to become more productive and profitable in the workplace and at home. In this workshop, we will explore your natural talents and how to turn those talents into strengths, while also learning how to recognize talents in others and utilize them for the success of the team. This workshop requires some pre-work. *This workshop will be held via Zoom video conferencing.*

**A link to join the virtual Zoom sessions will be sent to you prior to the workshop*

Critical Conversations

Wednesday, September 29th; 1:00pm. - 4:00pm

Pioneer Room

Price: \$119 (Hays Chamber & FHSU Alumni discount available)

Critical Communication: A discussion between two or more people where (1) stakes are high, (2) opinions vary, and (3) emotions run strong. At the heart of many chronic problems within teams, between coworkers, or in organizations, lies critical communication – conversations that are either not happening well or not happening at all. In this 3-hour workshop, we will discuss the skills for creating alignment and agreement – both of which are tools needed to foster open dialogue around emotional or risky topics. Participants will learn how to speak persuasively, foster teamwork, build acceptance around ideas, and resolve disagreements in positive ways.
