Health and Wellness Services to Offer Mental Health First Aid Training

Suicide is the second leading cause of death among young adults and 39% of college students will experience a significant mental health issue. Furthermore, 1 in 5 adults have a diagnosable mental illness (Active Minds).

You can make a difference.

Mental Health First Aid teaches participants how to help adults experiencing a mental health or substance use challenge. Having more informed university students, staff and community members can dramatically help early intervention efforts and get others the help they need when they need it. The evidence behind the program demonstrates that it helps trainees identify, understand and respond to signs of mental illnesses and substance use disorders.

This training will be free for participants, but has a limited class capacity. The training will be held on the FHSU campus from 8am-5pm on Saturday, September 25th, 2021.

Barricade Notice for Move-In Day

On Sunday (8/15/21), the University Police Department will begin to barricade areas directly affected by students moving into the residence halls. UPD begins this process on Sunday due to the time involved with identifying the owner of non-registered vehicles, and giving motorists time to move their vehicles. Once the barricades are up, UPD will begin contacting the owners of vehicles to ask them to move their vehicles. Employees will be allowed to remain parked in these areas until the end of the workday on Monday. Beginning Tuesday (8/17/2021), no one will be allowed to park within the coned and barricaded areas.

On Sunday, the following areas will be barricaded, Lot G behind McMIndes Hall, the west side of Custer Drive between Dwight Drive and Agnew Lane, the east side of Lyman Drive between Dwight Drive and Agnew Lane and the portion of Lot I directly to the south of Victor E. Village. On Monday (8/16/21), McMIndes Circle in front of McMIndes Hall, Lot F2 on the east end of McMIndes Circle and the circle drive in front of Custer Hall, will be closed off at noon. These areas will remain barricaded until Thursday afternoon when the move-in has been completed.

Faculty/Staff who park in the residential Life area on Monday morning, will be allowed to wait until the end of the workday before being required to move their vehicle. If contacted by UPD about moving your vehicle, advise them that you will do so at the end of the day. All others parking in the Residential Life area will be asked to move their vehicle as soon as possible. Keep in mind that the area will be barricaded and parking may not be available Monday afternoon through Thursday afternoon. The Residential Life area of campus will be heavily congested with traffic Tuesday through Thursday as the students move in. If you work in the Residential Life Area and arrive for work between 7:30 a.m. and noon on these days, expect to park farther away than normal and walk.

The University Police Department wishes to express their sincere thanks to the University community in their cooperation with this matter. UPD would also like to remind you that parking permits may be

obtained online (www.fhsu.edu/police) and picked up the following week or mailed through the campus mail system to avoid the traffic congestion in this area at these times.

Please contact the University Police Department at 628-5304 if you have questions.

Networking Effectively to Build Professional Relationships

Luncheon in FHSU Union Smokey Hills Room; Workshop in FHSU Union Trails Room
Price: \$119 (Hays Chamber & FHSU Alumni discount available)

Traditional face-to-face networking will continue to aid people as they seek to gather and belong, regardless of their generation or industry. Following a global pandemic, people crave even greater reward during time spent together. The pace of change and technology continues to increase, yet simple “word of mouth” is still greatly powerful and influential. Learning how to put yourself and others at ease while networking can create both personal and professional success. Ultimately, you want to achieve the most out of your interactions by learning how to effectively connect with others. This workshop begins with the philosophy that all people have unique value to offer others as well as a foundation of skills and successes. Being able to present yourself in an authentic, genuine and engaging manner is the most effective tool for professional networking and building relationships. Utilizing interactive activities, Tammy Wellbrock shares how to create stronger networking skills with practical insights and methods. You will gain a variety of tools and techniques to help you network successfully in any situation.

Diversity Matters Series: Unpacking Implicit Bias and Micro-Aggressions: What Are They and How Do They Affect Me?

Tuesday, September 14th; 1pm - 2:30pm
Online via Zoom
Price: \$65 (Hays Chamber & FHSU Alumni discount available)

Often diversity, inclusion, belonging, and equity initiatives seem as if they do not apply to one’s personal experience in the workplace. Nothing could be further from the truth because of the myriad of

experiences, ethnicities, and abilities we each bring to the workplace. This session will unpack implicit bias and micro-aggressions to help your company innovate faster and further in the competitive marketplace.

CliftonStrengths Essentials (Virtual)

Virtual (Zoom)

Price: \$219 (Hays Chamber & FHSU Alumni discount available)

Is it best to spend time utilizing your strengths or is it more productive to work on your weaknesses? Gallup's Strengths theory claims people should spend the majority of their time doing what they do best; using their already existing natural talents to become more productive and profitable in the workplace and at home. In this workshop, we will explore your natural talents and how to turn those talents into strengths, while also learning how to recognize talents in others and utilize them for the success of the team. This workshop requires some pre-work. *This workshop will be held via Zoom video conferencing.*

**A link to join the virtual Zoom sessions will be sent to you prior to the workshop*

Critical Conversations

Wednesday, September 29th; 1:00pm. - 4:00pm

Pioneer Room

Price: \$119 (Hays Chamber & FHSU Alumni discount available)

Critical Communication: A discussion between two or more people where (1) stakes are high, (2) opinions vary, and (3) emotions run strong. At the heart of many chronic problems within teams, between coworkers, or in organizations, lies critical communication – conversations that are either not happening well or not happening at all. In this 3-hour workshop, we will discuss the skills for creating alignment and agreement – both of which are tools needed to foster open dialogue around emotional or risky topics. Participants will learn how to speak persuasively, foster teamwork, build acceptance around ideas, and resolve disagreements in positive ways.
