Health and Wellness Services to Offer Mental Health First Aid Training

Suicide is the second leading cause of death among young adults and 39% of college students will experience a significant mental health issue. Furthermore, 1 in 5 adults have a diagnosable mental illness (Active Minds).

You can make a difference.

Mental Health First Aid teaches participants how to help adults experiencing a mental health or substance use challenge. Having more informed university students, staff and community members can dramatically help early intervention efforts and get others the help they need when they need it. The evidence behind the program demonstrates that it helps trainees identify, understand and respond to signs of mental illnesses and substance use disorders.

This training will be free for participants, but has a limited class capacity. The training will be held on the FHSU campus from 8am-5pm on Saturday, September 25th, 2021.

Travel Approval Process as of 9/1/21

The university has made some changes to the process for obtaining approval to travel. **All** travel beginning September 1, 2021 or after must obtain trip approval by submitting a spend authorization in Workday. Follow the link for procedures: [Create Spend Authorization for Trip Approval](#). Travel approval must be requested prior to the travel dates and before incurring any costs such as airfare or registration. Trip approval requests are approved by the traveler's manager and respective Dean/VP.

- If the traveler will not be requesting personal reimbursement for any trip expenses paid personally (ex. Per diem), the total amount of the spend authorization should be \$1. *The spend authorization will be canceled by Accounts Payable approximately one month after the trip has ended.*
- After approval has been obtained and the Spend Authorization has been fully approved, the traveler can start making arrangements for travel by reserving hotel rooms, booking airfare, registering for conference, requesting Motor Pool vehicle, etc.

- Spend authorization trip approvals in Workday are assigned a number (ex. TA00001234). This number is referred to as the **Trip ID** and will be required on all transactions related to the trip such as p-card verifications and travel receipt forms.
- If a Motor Pool Transportation Requisition is being submitted to request a university vehicle for the trip, the **Trip ID** will be required on the form; therefore, be sure to submit your spend authorization prior to submitting your request for a Motor Pool vehicle.
- Local Hays/campus travel does not require a spend authorization.

The [FHSU Travel Policy Manual](#) can be reviewed for updates and additional information regarding State of Kansas and FHSU travel policies and procedures. Contact Accounts Payable with any questions. Thanks!

Luncheon in FHSU Union Smokey Hills Room; Workshop in FHSU Union Trails Room

Traditional face-to-face networking will continue to aid people as they seek to gather and belong, regardless of their generation or industry. Following a global pandemic, people crave even greater reward during time spent together. The pace of change and technology continues to increase, yet simple “word of mouth” is still greatly powerful and influential. Learning how to put yourself and others at ease while networking can create both personal and professional success. Ultimately, you want to achieve the most out of your interactions by learning how to effectively connect with others. This workshop begins with the philosophy that all people have unique value to offer others as well as a foundation of skills and successes. Being able to present yourself in an authentic, genuine and engaging manner is the most effective tool for professional networking and building relationships. Utilizing interactive activities, Tammy Wellbrock shares how to create stronger networking skills with practical insights and methods. You will gain a variety of tools and techniques to help you network successfully in any situation.

Tuesday, September 14th; 1pm - 2:30pm

Online via Zoom

Price: \$65 (Hays Chamber & FHSU Alumni discount available)

Often diversity, inclusion, belonging, and equity initiatives seem as if they do not apply to one's personal experience in the workplace. Is it best to spend time utilizing your strengths or is it more productive to work on your weaknesses? Gallup's Strengths theory claims people should spend the majority of their time doing what they do best; using their already existing natural talents to become more productive and profitable in the workplace and at home. In this workshop, we will explore your natural talents and how to turn those talents into strengths, while also learning how to recognize talents in others and utilize them for the success of the team. This workshop requires some pre-work. *This workshop will be held via Zoom video conferencing.*

**A link to join the virtual Zoom sessions will be sent to you prior to the workshop*

Critical Conversations

Wednesday, September 29th; 1:00pm. - 4:00pm

Pioneer Room

Critical Communication: A discussion between two or more people where (1) stakes are high, (2) opinions vary, and (3) emotions run strong. At the heart of many chronic problems within teams, between coworkers, or in organizations, lies critical communication – conversations that are either not happening well or not happening at all. In this 3-hour workshop, we will discuss the skills for creating alignment and agreement – both of which are tools needed to foster open dialogue around emotional or risky topics. Participants will learn how to speak persuasively, foster teamwork, build acceptance around ideas, and resolve disagreements in positive ways.
