Hispanic Dance Sessions Spring 2022

Plan to stay for one hour and 25 minutes at least (warm up and cool down sessions). Our dance sessions are practical, hands-on-learning sessions, which teach dancing steps and dance choreographies using original music from the countries we are teaching about. We teach about the culture, context, and the rich diversity each dance and country provide. Through the dances and music, you will immerse yourself in a specific culture and learn about it. All dances we teach are connected somehow to Hispanic culture, and through Hispanic Dance Sessions, we aim to promote Hispanic culture and diversity at FHSU and in Hays, KS. Sessions will be taught live and will also be streamed live on ZOOM to make it accessible and inclusive to friends who cannot make it to the campus sessions. Please wait until we open the Zoom room for you. We start at 6:30 pm promptly, or when CH 122 is free. All sessions are free and open to anybody who would like to learn about these dances.

Please wear a mask inside CH 122 at all times during the dance session!

Philosophy Café – Dr. Peter Tramel: War Crimes

Thursday, March 31st, 7:00pm

Paisley Pear back room, 1100 Main St, Hays

The United States, Russia, and most other nations have signed treaties, such as the Geneva and Hague Conventions and the U.N. Charter, that identify some ways of starting or waging wars as war crimes. These treaties divide war crimes into two broad categories. Illegal ways of starting wars are Crimes Against Peace. Illegal ways of waging wars are Crimes Against Humanity. This presentation will be about the philosophical principles behind the idea that there can be both crimes against peace and crimes against humanity. Discussion will be about how these principles apply to the current war in Ukraine. **This is meant to be a presentation by a disciplinary expert where the philosopher will give a short presentation or lay the groundwork for further discussion, and then the discussion and Q and A will be loosely bound to the topic.
