## PHYSICAL PLANT PLANNING

August 18, 1978

Dr. Dale Braynard  
Superintendent of Schools  
Crete, Nebraska

Dear Dr. Braynard:

Thank you again for taking the time to show your junior/senior high school to us this morning. Your pride in the facility is well justified.

We learned a great deal by experiencing the variety of spaces provided in the building, and the knowledge gained will be most helpful in the planning of our Nurse Education Building.

Again, thank you for your kind assistance.

Very truly yours,

*Francis O'Brien Murray*
